The 2009 World Championships are open to In-Line Hockey Teams from all the National Federations affiliated with the FIRS, provided that they confirm their entry prior to:

2009 May 15. This is the dead Line.

All participating team members will be required to prove appropriate nationality and age at the Championship Assembly on the day prior to the scheduled games by means of a valid passport issued from the country being represented.

Team Registration Fees:

According to Organizational CIRILH Rules for World Championships the entry fee is one thousand Swiss Francs (1,000 SFr.) Fees, are to be paid directly to CIRILH, the FIRS In-Line Hockey Committee, in USA dollars or Euros at the international exchange rate at the time of payment.

<http://www.x-rates.com/calculator.html#>

This fee shall be applied separately for each male and female team participating in the World Championships. Payment of the entry fee must be received by deadline date to assure acceptance and an accurate count of the number of teams placed in the games schedule. It benefits all teams when we insist that a firm commitment for appearance is made by 15 May 2009, prior to the formulation of a games schedule.

Seeding for Round Robin:

For the Senior Men World In Line Championships, FIRS will continue to use the same seeding plan as initiated in 2005, with the top 8 teams going into Group 1 and the remaining teams into group 2 (two pools for each consisting of 3 games maximum for group 1 and the possibilities of 4 games in each pool for group 2 dependant upon entries). Seeding of teams into pools will proceed according to the serpentine method by last year placement, conforming to published procedures. The lowest finishing team in each of individual pool of 4 for group 1 will drop down into pool 2 for the FIRS NATIONAL TEAM WORLD CUP, and the top team from each pool of group 2 will join Group 1 for WOLD CHAMPIONSHIPS competition. This formula allow every team to be on a direct course toward the World Championship Gold Medal
