## COUNTRY QUOTA

The quota for a country as below is **in addition** to any pre-seeded riders.  
This quota is the same for both Park and Street disciplines

### **Park & Street:**

Juniors (mixed gender): 5 per country

Women: 10 per country

Men: 10 per country

Top 10 pre-seeded from Argentina 2022 & Current Junior World Champion\*

*\*The current Junior World Champion is automatically pre-seeded into the Senior event of their respective gender if they choose to transition into Senior or if they age out of Junior.*

### **AGE LIMITS:**

Men's Park/Street: 14+ years old

Women's Park/Street: 14+ years old

Juniors' (mixed gender): 10-17 years old

If an athlete is within the Junior age guidelines but old enough to compete in Men's/Women's (14-17 years old), they can move categories. However, if a rider has registered for - and completed a single run in - a Pro category, they will no longer be eligible to compete in Junior for any future events.

Age is determined by birth year, not by specific date. E.g., in 2023, athletes born in 2005 are counted as 18 years of age, regardless of their day and month of birth, and therefore not eligible for Junior competitions.

## WORLD RANKING

The 2023 World Championships will be the first event in which athletes can earn World Ranking points. As the most prestigious event of the year, the World Championships awards the maximum number of World Ranking points to athletes who place in eligible positions. From this event onwards, the points available to athletes at World Skate competitions will be based on the significance of each individual event to create an ever-evolving World Ranking system. This system will then become the basis for pre-seeding athletes in future.

We will publish an official bulletin regarding the full details of the World Ranking system shortly.

By clicking on the following [link](#) you can consult the World Ranking System.

## ATHLETE SAFETY ( RULEBOOK 2023 )

We remind all participating athletes that physical safety during practice and competition times is paramount. It is recommended that athletes of all ages and disciplines regularly review their protective equipment.

Helmets are compulsory at all times during practice sessions and competitions in Park for all athletes.

Helmets are compulsory at all times during practice sessions and competitions in Street for athletes under the age of 18, but we strongly encourage all athletes to wear a helmet even if not mandatory.

Further athlete safety information can be found in our Rulebook consultable at the following [link](#).

The 2023 Rulebook includes more detailed technical details regarding entry requirements, pre-seeding information, safety equipment, area access, competition formats, practice limitations, judging clarification and much more.

We strongly recommend that all athletes, staff, coaches and other interests familiarize themselves with its contents.
