

ACCOMMODATIONS INLINE FREESTYLE WORLD SKATE CHAMPIONSHIPS 2018

For the first time the Roller Speed World Skate Championships and the Inline Freestyle World Skate Championships will be part of the same event. The worlds of inline speed skating and inline freestyle skating will come together, showing the diversity of roller sports.

The Netherlands looks forward being at the epicentre of roller skating in 2018 by hosting the World Skate Combi Championships. These World Championships will be centred around two locations in the province of Gelderland. The city of Heerde will be the epicentre of the track events (July 1-3) and Arnhem will host the road (July 5-8) and freestyle events (July 5-7).
