EVENT DATE

Dear friends,

The health and safety of our athletes, staff and guests is and remains World Skate's top priority.

We have been closely monitoring the ever-evolving COVID-19 pandemic to determine the best path forward for the upcoming World Championships.

After careful consideration, the decision between the organizers and World Skate is to **postpone the event** in light of heightened uncertainty and increasingly prohibitive travel restrictions.

Considering the international calendar, the new dates should be:

September 12th - 19th

Following the provisional schedule:

- Technical Meeting September 11th
- Track: from September 12th to September 14th
- Rest Day September 15th
- Road: from September 16th to September 18th
- Marathon: September 19th

As the worldwide situation evolves quickly, please take note that we will continue monitoring the spread of the COVID-19 and date changes could occur due to new Colombian policies or updated travel restrictions.

Your welfare will remain our top priority. We will of course keep everyone updated as the situation develops.

Our thoughts remain with all those directly and indirectly affected during this difficult time.

Thank you,

Best Regards,

Jorge Roldan
