GENERAL INFORMATION

Dear Sirs,

We are pleased to share with you some general information regarding The World Games that will be held in Birmingham, Alabama, USA from 7th to 17th July 2022.

ROOMING LIST

As the BOC needs to arrange the rooms, we kindly ask you if you have any preferred option you would like to indicate regarding the rooming, if not the BOC will arrange the rooms themselves. Below you can find some information shared by the BOC:

1. No male and female can room in the same dorm room unless related
2. Deadline - rooming list due by June 14th - if list is not received, BOC will place rooming list as they see fit.
3. Extra officials - please pair up paid persons together so that someone from outside your sport is not placed with you (if the unpaid person does not pay)
4. All Technical Officials will be in Blount Hall in either 2 Bedroom 2 Bath units or 4 Bedroom 2 bath units. They will have a single room but will share a unit and in the case of 4 bedrooms unit, share a bathroom.
