### **COVID-19 PROTOCOL**

Being that the athletes, judges and all the staff working in the event, are the absolute priority for World Skate, together with the Medical Commission and WMI we have created the following World Skate COVID-19 Protocol which will be adapted and applied for each event in order to guarantee all parties are healthy and safe. WMI is working on a more indepth protocol specific to Dew Tour 2021 which will be shared soon.

- Staff and Athletes Venue Access: based on the COVID-19 protocol for the event and people registered, venue accesses will be limited with the organizers and the medical agency. This information will be shared soon.
- Tests needed as per WMI COVID-19 protocol, in order to access the event, will be free of charge for athletes and NGBs staff registered in the Sports Entry Platform.
  - Athletes and Staff will be required to submit a negative PCR test taken no later than 72 hours prior to onsite Check-in. The costs of this PCR test are not covered nor reimbursed by the event organization.
  - Once an athlete is out of competition (i.e., he/she does not qualify to the next competition round), testing will no longer be administered and covered by the event.
- We are confirming a testing partner for staff and athletes to take PCR test before departure flights. The majority of PCR tests in Des Moines have a 24-hour turnaround time. These tests will not be covered by the organizers nor by World Skate.

### NIE WAIVER UPDATE

All NIE waiver request forms that have been submitted to <a href="mailto:sarah@snowparktech.com">sarah@snowparktech.com</a> are in the approval process. Once your waiver has been cleared, she will send a letter confirming clearance. Hopefully all that were submitted will be cleared in the next week or two.

Please note that if you are traveling from a country that is currently NOT on the restricted list and you did not submit the NIE Waiver request form, you must make sure that during your travels to the US you are not transiting through a restricted country. Transit through a restricted country (i.e. flight layover) also constitutes physical presence thus an NIE waiver would be required. If this is the case, you must submit your NIE waiver request form ASAP this week so that it can be processed in time.

The following countries are restricted:

Africa: South Africa Asia/Middle East: China and Iran

WORLD SKATEBOARDING COMMISSION - BULLETIN

Europe: Austria, Belgium, Czech Republic, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, and the U.K.

South America: Brazil

### **COMPETITION RULES**

You can download the complete Skateboarding Competition Rules 2021 here.

For this and upcoming events, an amendment has been made:

Having considered all the restrictive measures in place due to the ongoing COVID19 pandemic and in order to ensure a fair, balanced and comprehensive participation in our events no replacements are allowed for qualifier events after the expiration of the registration deadline. Unfortunately, considering the strict waiver protocol for international travelers, in order to maintain the fair play and equal possibilities to all the participants, no replacements will be allowed at any stage of the competition under any circumstances, including injuries and positive COVID-19 cases.

Also, **event check-in** at the registration office must be done individually, completing this process by the Team Manager will not be an option due to the COVID-19 protocols.

We kindly remind you that:

In the Street discipline, wearing a helmet is mandatory during practice and competition time for all athletes under the age of 18.

In the Park discipline, wearing a helmet is mandatory for all athletes at all times.

### RIDERS MEETING

Due to the applied Covid-19 event regime, the Dew Tour 2021 Riders Meeting will be held digitally via a Zoom conference call on:

FRIDAY, APRIL 30th, 2021 at 6:00pm CET / 9:00am PST.

Athletes, NGB representatives and legal guardians can register by clicking here.

### COMPETITION PRACTICE FORMAT

#### **Park**

With the Covid19 provisions being applied in the venue and during the entire event, practice

WORLD SKATEBOARDING COMMISSION - BULLETIN

sessions in Park discipline will be held in the organized jam format. Athletes in Park practice will skate in their Heat's start list order and one-at-a-time only. Each athlete will have a maximum 40-second time limit per a practice jam round. If the athlete falls, the next-in-line athlete from the Heat start list continues.

No athlete group gatherings on FOP platforms are allowed. Practice will be conducted by the Course Manager.

#### Street

Given the larger size and layout of the FOP for Street discipline, athletes will practice in the usual format. However, social distancing and following all applied Covid19 health countermeasures is recommended for all practicing athletes.

No athlete group gatherings on FOP platforms are allowed. Practice will be conducted by the Course Manager.
