ARTISTIC SKATING WORLD CUP 2022

Dear Sirs,

We are glad to share some general information regarding the first semi final of the Artistic Skating World Cup 2022 that will take place in Trieste, Italy from 16th to 22th May 2022.

REGISTRATION

The new World Skate Sports Registration system Infinity will be used for the registration process. A Beta version of the system (desktop, iOS and Android apps) has been released a couple of weeks ago (as per the communications sent to all NFs) and the Registration Process for this event is on since April 19th and will last until May 3rd.

National Federations governing Artistic Skating have already received an invitation to set their NF Admin profile up (**please check your spam folder**). We remind you to complete the NF Admins to set their profile up ASAP, otherwise their users (Athletes and National Team Members) will not be eligible for registration to the event. Should you not have received the invitation or should you have any issue in completing the procedure, please contact us at platform@worldskate.org.

Single users are Athletes, Presidents, Secretaries-General, Coaches, Doctors and any other National Federation Member who will participate in this or in the forthcoming events representing their Federation of belonging must sign up individually and on their own, complete the procedure and be approved by their NF of belonging (approval needed for Athletes only).

Single Users can sign up in the system from the following link: <https://infinity.worldskate.org/sign-up> or through the World Skate Infinity app (available on [Play Store \(Android\)](#) and [App Store \(iOS\)](#)).

Once Athletes and National Team Members will have completed their profile on Infinity, they will be eligible to be registered for the event by their National Federation of belonging.

The registration process is easy and the interface is very user friendly; however, since all of this is new to everyone, we are at your disposal should you need assistance.

For any help or clarification you may need please contact us at platform@worldskate.org. A PDF user guide for National Federations is available [here](#).

A video user guide for single users sign up is available here: https://youtu.be/xQBF_Nzqolo

User guides are just examples, the actual flow might be slightly different.

The online payment functionality is now available on Infinity, our new Sports Registration Platform.

Once you have registered your athletes, you (**NF Admin**) will be able to pay online with credit/debit card or by Bank Transfer. All major credit and debit card circuits are accepted!

Click on “Pay” and select the payment method (credit/debit card or Bank Transfer):

- credit/debit card → fill in your credit/debit card details and process the payment;
- Bank Transfer → download the bank details, process the wire transfer and confirm the payment (once World Skate will have received and confirmed the payment, your payment status will be approved).
