ARTISTIC SKATING WORLD CUP 2022

Dear Sirs,

We are pleased to share with you some general information regarding the final of the Artistic Skating World Cup 2022 that will take place in Göttingen, Germany from 8th to 13th August 2022.

PARTICIPATION RULES

For skaters or teams that have participated in both continental (area) semifinals, the best Total Technical Scores of the two competitions will be the one considered to qualify for the final.

An overall ranking list will be created with each skater/team's best Total Technical Score from the Semifinals then:

For Free Skating: the first 10 for ladies and first 10 for men (for Cadet, Youth, Junior and Senior) with the highest ranked Total Technical Score will proceed to the final.

For Pairs: the first 10 pairs (both for Junior and Senior) with the highest ranked Total Technical Score will proceed to the final.

For Solo Dance: the first 10 for ladies and the first 10 for men (for Junior and Senior) with the highest ranked Technical Scores will proceed to the final.

For Couple Dance: the first 10 couples (both for Junior and Senior) with the highest ranked Total Technical Score will proceed to the final.

Only three (3) entries in each category of each discipline per national will be allowed to qualify for the final. If a nation has more than three (3) skaters/teams listed in the top 10 ranking, the top three (3) will qualify and then the extra places will be filled from other nations according to placement on the ranking list until the ten (10) places for the final are filled.

For Quartets, Large Groups and Small Groups the entry rule is as follows: Three (3) of the first five (5) placed groups in the National Selections are allowed to participate.

For Precision, three (3) groups of the first five (5) groups in the national ranking.

Wildcards: If a Continent (Europe, Africa, America, Asia, Oceania) does not have at least one representative in the top ten (10) places for any Junior or Senior event, a Wildcard entry to the final will be granted to one top ranked skater in that event. Wildcards will be offered by World Skate ATC in consultation with the continent involved.
