Introduction

Through these lines we want to make you participate in the I WORLD CUP INLINE FIGURE SKATING of 2019. It is the essential championship in the official calendar of World Skate for In Line Figure Skating, after The World Roller Games.

For the realization of the competition the categories of TOTS to SENIOR are summoned. And also, categories of beginners will be enabled (see regulation at the end).

In addition, it makes the children come accompanied by their technicians and family members, which means that the estimated attendance of the event is around 2000 people among skaters, technicians, fans, federative teams, sponsors...

It's a competition, in which a Young discipline can be made known, and the organization is carried out by one of the reference clubs in Madrid, CDE PATINAJE ROLLER'S STARS.

“...estimated attendance of the event is around 2000 people among skaters, technicians, fans, federative teams, sponsors...”

Facilities of Pabellón Europa

The City

LEGANÉS is a modern and Cosmopolitan city, it has a geographical location with very accesible comunication: motorway, it's also very close to Madrid with High Speed Train (AVE) and Airport.
