## GENERAL INFORMATION

---

World Skate as of July 2018, it has approved the Official Regulation for the Transfer of Players for the Rink Hockey modality.

This Regulation will be mandatory for all National Federations affiliated to World Skate.

## MAIN QUESTIONS

---

This Regulation specifies two differential issues:

1. First in the specific situation of a transfer for the first time. Therefore, the complete transfer has to be made.
2. Secondly, the annual renewal of the Transfer. In the event that the player wants to continue on the same team.

Both situations are clearly specified in the Regulation and completed with the corresponding form to be completed by each team (ANNEXES). You can find the official regulation and both Annexes with the name “16 Official regulation Rink Hockey - transfer of players” in the following link: <http://www.worldskate.org/rink-hockey/about/regulations.html>

## CONTROL AND COMPLIANCE

---

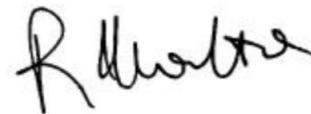

In accordance with the guidelines of the organization, WORLD SKATE has the right to check the compliance with the Regulation on specific occasions. This means that random tests could be done on some games/teams.

We wish you all the best luck in the future!
