

Roll & Skate Ostseebad Damp 2012

COURSES

All of the courses direct the participants along roads that are continuously tarred and kept free of traffic by police and traffic wardens for the duration of the race through the beautiful countryside of the Schwansen peninsula – between the Baltic Sea, the Schlei inlet and Eckernförde Bay. The exact course, the course description and photos are available online at: www.roll-and-skate.de.

IMPLEMENTATION OF THE STARTS**Half Marathon**

All participants in the half marathon gather at 05:45 p.m. at the starting arch at the town entrance of Damp. A neutralised "show start" (approx. 10-15 km/h) will move in colonnade form for about 2 km to the starting line of the half marathon. There the start will be lined up according to the information provided in the race invitation.

Marathon

All participants in the marathon will gather together at 09:45 a.m. at the starting arch at the town entrance of Damp, where the separated starts will be lined up according to the information provided in the race invitation.

TIMEKEEPING

Timekeeping for all events will be conducted exclusively using the Aktivchip provided by the company, Sportservice Hamburg GbR. Every participant with a race number will receive a free chip to use during the race. The chip is to be attached to the ankle with the hook-and-loop band and must be returned after the race. A fee of 90 € will be charged if the chip is not returned. For participants competing in both events (marathon and half marathon), the chip is to be used for both events and should only be returned after the marathon event.

The station for returning the chips is located directly after the cool-down area beyond the finish and before the refreshment area at the entrance of the town of Damp.

The results for all races will be determined according to DRIV regulations based upon the individual gun times (the gross times).

All skaters must wear helmets during the race; participants without helmets will be excluded from competition and immediately disqualified. We strongly recommend wearing additional protective gear (especially hand protectors). For the kids race, all participants must wear complete protective gear.
