

EXECUTIVE BOARD RESOLUTION

No. 8/2023

Considering the Executive Board resolution No. 1/2022 in which World Skate invited all the entities located in countries where more than one National Federation has been recognized to comply with the above-mentioned rules and therefore to cooperate and establish one single entity (Federation) governing all World Skate sports in such relevant country

Considering the new deadline - 31st December 2023 - that was communicated to all national federations on the occasion of the World Skate Ordinary Congress held on 30th October 2022 in Buenos Aires, Argentina

The World Skate Executive Board once again invites the national federations concerned to find an agreement to cooperate and comply with World Skate Charters and to send a proposal of cooperation by December 31, 2023. If no solution is found, Statutes. Art 3 (4) shall apply:

“In case no agreement is reached among the different entities, World Skate Executive Board, after hearing the opinion of the competent National Sports Authority, may choose the National Governing Body in charge of all World Skate Sports as per the transitional rules and procedures provided for in World Skate By-Laws.”
