

IMPORTANT INFORMATION AMENDMENT TO WORLD SKATE DOCUMENTS

Pairs 2021

Please note the following updates to Official Regulation Artistic - Pairs 2021:

LIFTS - AXEL FEATURES

- *Axel around the back entry will be considered a feature for Axel Lift.*

SPECIFIC PROCEDURE FOR MISSING MANDATORY ELEMENT IN PAIRS

- *For both the Short and Long Program:*

If a mandatory element is omitted or it has not even been attempted, the skater will be penalized by the TP for “missing mandatory element”. However, any type of attempt, even though a fall may modify its original group, will not be penalized since it has been at least presented.
