

September 3rd, 2025

Mr Vladislav MURANOV, member of the Russian Federation, received a five (5) years sports ban starting on 13 August 2025 and ending on 12 August 2030 imposed by RUSADA in relation to the ADRV of Art. 2.1, for the presence of the following substances and metabolites:

- 19-norandrosterone (S1.1)
- 3a-Hydroxy-2a-methyl-5a-androstan-17-one (drostanolone metabolite) (S1.1)
- dehydrochloromethyl-testosterone (S1.1)
- 4a-Chloro-18-nor-17b-hydroxymethyl,17a-methyl-5a-androst-13-en-3a-ol (dehydrochloromethyltestosterone long-term metabolite) (S1.1)
- Anastrozole (S4)

collected in competition on 25 July 2025.

Competitive results have been disqualified from July 25th, 2025, according to Art. 9 of the WADA Code and WSK Antidoping Rules.

During the period on ineligibility Mr Vladislav MURANOV is banned from participating in any activities at any level in any sport including but not limited to use of club facilities, training, competing, coaching, and other activities of a sport related nature whether in a professional capacity or not.

Mr Vladislav MURANOV is also prohibited from involvement in club and Federation activities including but not limited to committee, administrative and planning functions.
