WORLD SKATE ACADEMY: ARTISTIC

We are pleased to provide you with some new information about the World Skate Academy for Artistic that will resume in March 2023. We are confident that this initiative will further enrich the development of this beautiful sport in all participating countries.

The program and contents will be defined and managed by the Artistic Skating Technical Commission.

The Online Courses will be held through the [new World Skate Academy platform](#).

COACHES

The World Skate Academy will be training Coaches at all levels with the objective of developing the sport worldwide and increasing the level of competitions to the highest.

This year, there will be lessons for Coaches Level 1,2 and 3.

Lessons are open to everyone.

The complete program will be divided into 3 (three) levels: 1, 2 and 3.

Only the coaches appointed by their National Federations and approved by the Technical Commission to complete the process as World Skate Coach, after passing the relevant exams and completing the 3 levels, will be officially recognized as World Skate Coaches (namely **WSK Coaches**).

These coaches should have the possibility to present courses at national level, in their own country, with the material provided by World Skate.

Level 1: National Federations are allowed to register an unlimited number of coaches but only **2 (two)** of them for each discipline (Free Skating, Pairs, Precision and Dance) will officially start the process as World Skate Coach.

Level 2: National Federations are allowed to register an unlimited number of coaches but only the **2 (two)** coaches who already obtained the Certificate of Level 1 will officially continue the process as World Skate Coach.

Level 3: National Federations are allowed to register an unlimited number of coaches but only the **2 (two)** coaches who already obtained the Certificate of Level 2 will officially continue the process as World Skate Coach.

Please note that the deadline to propose the Coaches has already expired.

LESSONS AND SCHEDULE

The **New Rules 2023** lessons will be available to be purchased online from **March 6th, 2023**.

The New Rules lessons are available to be purchased and followed until **31st May**.

After this date, the course will not be accessible anymore, whether it has been purchased before or not.

The New Rules lessons are valuable to update the Officials status.

In the next few weeks, the lessons for **Data Operators**, **Coaches Level 1**, **Coaches Level 2** and **Coaches Level 3** will also be published. All the lessons will be made available before mid-April.

More official information will come out soon about the official release date.

All lessons are pre-recorded and the Participants will be able to attend them on the days and times of their choice. All lessons will be available in both English and Spanish.

For each lesson, you will have access to a section called “Discussion” in which you will be able to share your doubts, comments and questions regarding the lesson you are watching.

The nominated aspiring WSK Coaches at the end of each Coach course (Level 1 and Level 2), will have to take an Assessment Test and a Final Exam at the end of Level 3.

At the end of every course, ALL students will receive a Certificate of Participation.

The nominated aspiring WSK Coaches will also receive a Certificate of Completion of the respective level once the Assessment has been taken or the Final Exam has been passed.

More information on the exams for Coaches will be available at a later stage.
