WORLD SKATE ACADEMY: SPEED

We are pleased to provide you with the new information about the World Skate Academy for Speed **Judges** that will resume in **April 2023**. The courses for **Coaches** will take place in **October 2023**. We are confident that this initiative will further enrich the development of this beautiful sport in all participating countries.

The program and contents are defined and managed by the Speed Technical Commission.

The Online Courses will be held through the [new World Skate Academy platform](#).

COACHES

The World Skate Academy will be training Coaches at all levels with the objective of developing the sport worldwide and increasing the level of competitions to the highest.

This year, there will be lessons for Coaches Level 1, 2 and 3.

Lessons are open to everyone.

The complete program is divided into 3 (three) levels: 1, 2 and 3.

Only the coaches appointed by their National Federations and approved by the Technical Commission to complete the process as World Skate Coach, after passing the relevant exams and completing the 3 levels, will be officially recognized as World Skate Coaches (namely **WSK Coaches**).

These coaches should have the possibility to present courses at national level, in their own country, with the material provided by World Skate.

Level 1: National Federations are allowed to register an unlimited number of coaches but only **5 (five)** of them will officially start the process as World Skate Coach.

Level 2: National Federations are allowed to register an unlimited number of coaches but only the **5 (five)** coaches who already obtained the Certificate of Level 1 will officially continue the process as World Skate Coach.

Level 3: National Federations are allowed to register an unlimited number of coaches but only the **5 (five)** coaches who already obtained the Certificate of Level 2 will officially continue the process as World Skate Coach.

Please find below the form to be filled-in with all the information of the Coaches proposed for Level 1: <https://forms.gle/TyZJjWJvNJxD69jdA>

The deadline to propose the Coaches will be 15th September 2023.

INTERNATIONAL AND NATIONAL JUDGES

The World Skate Academy will be training the International Judges. The National Judges are also welcome to register for the Courses with the objective of developing the sport arbitrage and increasing the technical and disciplinary level of competitions to the highest.

Lessons are open to everyone.

The National Federations need to indicate the National Judges who will take part in the course by filling-in the Form available at the following link:

As per the Speed Rules, it is mandatory for the International Judges to attend the Academy (renewal at least every two years) and to take the final test in order to keep updated, to renew the highest standards and to confirm their category level. International Judges not complying with this condition will lose their commission. They need to sign up and purchase the course (when available) directly on the platform:

At the end, the Official International Judges List will be posted on the World Skate website and those in that list will be eligible to officiate the World Skate Sanctioned events.
