This represents the culmination of six months of intensive effort, spearheaded by the [Skateboard Coaching Commission](#) (SBCC).

This presentation, which will be led by **James Karageorgiou**, our SB Coaching Development Manager, will span **45 minutes**. The event is scheduled for **Saturday, September 16th**, at **11:00 AM** and will take place at the **Palais de Beaulieu**, right by the FOP.

We look forward to sharing this milestone with you, as we chart the future of skateboard coaching together.

ANTIDOPING EDUCATIONAL BOOTH

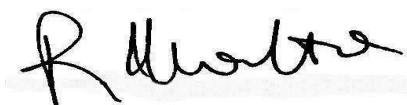

An educational booth on anti-doping will be set up from 13th to 14th September where WSK and ITA experts will be present, ready to answer your questions and play a game with you so that the matter of anti-doping will be more understandable for you.
