

SEGMENT FESTIVAL LAUSANNE 2023

ACCOMMODATION OFFER ATHLETES AND TEAM REPRESENTATIVES

TRANSPORTATION TO THE VENUE

Every participant (and respective team representatives) is responsible for booking its own accommodation and reaching the accommodation place by his/her own means.

Please note that, unlike at other Pro Tour venues, no shuttle will be provided to the competition site. Public transportation is efficient and reliable.

Also bear in mind that every hotel in Lausanne will give each of its guests a [Lausanne Transport Card](#) for free (up to 15 days) upon arrival at the hotel. This means you can use public transportation (bus/ train / metro) for free during the entire duration of your stay, which is a big advantage. The card also gives you access to some discounted activities in the area.

Most venues we suggest below are within reasonable reach to the competition venue and transport takes no longer than 35 minutes for the furthest option.

Below are hotel suggestions that offer discounted rates for SEGMENT Festival - Lausanne 2023
