COUNTRY QUOTA & PRE-SEEDED RIDERS

The quota for a country as below is **in addition** to any pre-seeded riders (see page 4). This quota is the same for both Park and Street disciplines

Park & Street:

Men: 6 per country

Women: 6 per country

Juniors (mixed gender): 3

Pre-seeded:

The top 6 riders from each of the Men's, Women's and Juniors World Rankings are pre-seeded into the competition. Pre-seeded athletes do not count against the country quota and do not pay a fee.

These athletes will be automatically registered for the event and must not register via their National Federation.

Pre-seeded riders enter the competition at the first round.

AGE LIMITS:

Men's Park/Street: 14+ years old

Women's Park/Street: 14+ years old

Juniors' (mixed gender): 10-17 years old

Age is counted on the first day of competition for the lower requirement and the last day of competition for the upper limit. E.g. Junior athletes must be a minimum of 10 years old on the first day of competition, and a maximum of 17 years old on the final day of competition.

If an athlete is within Junior age guidelines but old enough to compete in Pro (14-17 years old), they can move into Pro. However, if a rider has registered for - and completed a single run in - a Pro category competition at a World Skate ranking event, they will no longer be eligible to compete in Junior for any future World Skate ranking events.
