## WORLD SKATE ACADEMY: ARTISTIC

We are pleased to provide you with some new information about the World Skate Academy for Artistic resuming in May 2024. We are confident that this initiative will further enrich the development of this beautiful sport in all participating countries.

The program and contents will be defined and managed by the Artistic Skating Technical Commission.

The Online Courses will be held through the [World Skate Academy platform](#).

### COACHES

---

The World Skate Academy will be training Coaches at all levels with the objective of developing the sport worldwide and increasing the level of competitions to the highest.

This year, there will be lessons for Coaches Level 1,2 and 3.

**Lessons are open to everyone.**

The complete program will be divided into 3 (three) levels: 1, 2 and 3.

Only the coaches appointed by their National Federations and approved by the Technical Commission to complete the process as World Skate Coach, after passing the relevant exams and completing the 3 levels, will be officially recognized as World Skate Coaches (namely **WSK Coaches**).

These coaches should have the possibility to present courses at national level, in their own country, with the material provided by World Skate.

Level 1: National Federations are allowed to register an unlimited number of coaches but only **2 (two)** of them for each discipline (Free Skating and Dance) will officially start the process as World Skate Coach.

Level 2: National Federations are allowed to register an unlimited number of coaches but only the **2 (two)** coaches who already obtained the Certificate of Level 1 will officially continue the process as World Skate Coach.

Level 3: National Federations are allowed to register an unlimited number of coaches but only the **2 (two)** coaches who already obtained the Certificate of Level 2 will officially continue the process as World Skate Coach.

Please note that the deadline to propose the Coaches has already expired.
