WORLD SKATE ACADEMY: SPEED

We are pleased to provide you with the information about the World Skate Academy for Speed **Judges 2024** that will be held in **June and July**. We are confident that this initiative will further enrich the development of the arbitration of this beautiful sport worldwide. The program and contents are defined and managed by the Speed Technical Commission.

The Online Courses will be held through the [World Skate Academy platform](#).

INTERNATIONAL AND NATIONAL JUDGES

The World Skate Academy will be training and updating the International Judges. The National Judges are also welcome to register for the Courses with the objective of developing the sport arbitrage and increasing the technical and disciplinary level of competitions to the highest.

Lessons are open to everyone.

The National Federations need to indicate the National Judges who will take part in the course by filling-in the Form available at the following link:

<https://forms.gle/1LLeyR83feRkZLdL6>

As per the Speed Rules, it is mandatory for the International Judges to attend the Academy (renewal at least every two years) and to take the final test in order to keep updated and to renew the highest standards. International Judges not complying with this condition will lose their commission. They need to sign up and purchase the course (when available) directly on the platform:

https://world-skate-academy.thinkific.com/users/sign_up

At the end, the Official International Judges List will be posted on the World Skate website and those in that list will be eligible to officiate the World Skate Sanctioned events.
