As a result of adverse weather conditions on March 9th and the subsequent cancellation of event operations for the entire day, the Semifinals phase of competitions has been rescheduled to Sunday, March 10th.

In order to accommodate both Semifinals and Finals on the same day, while ensuring smooth operations, the Semifinals will be held in a competition format below due to the contingency situation, in line with the competition rule.

The 16 Semifinal competitors in each division will be divided into 2 heats of 8 skaters. Semifinalists will compete in two 45-second runs - best run counts - format.
