A UNIQUE LEADER JERSEY PROVIDED BY CCN.

Big news! A huge shoutout to CCN (follow them on Instagram @ccnsport_official and @ccnsport_inline) for partnering with us on the first-ever official LEADER jersey! This is monumental! The top skater who dominates the rankings will be awarded the iconic GREEN jersey, a symbol of WORLD SKATE mastery. Imagine the glory as the leader, draped in victory, receives the jersey on the podium amidst roaring applause. But wait, there's more! CCN isn't stopping there - they're upping the game by providing an AERO skinsuit for the next race, ensuring our leader not only looks sharp but is geared up for aerodynamic excellence. Get ready for an adrenaline-pumping season ahead!

If you are interested in getting new skinsuit you can reach Dan Heid at DAN@CCNSPORT.COM

After the race we will add the team sponsor logo on the jersey.

And the excitement doesn't end there! World Skate and CCN SPORT are taking it a step further by introducing a white jersey for the “Future Star” ranking. Imagine the thrill and pride of young talents as they don the white jersey, symbolizing their status as rising stars in the world of skating. This is a game-changer, offering unparalleled motivation for the next generation of skaters to embark on the marathon journey. What better way to inspire,

celebrate, and nurture the future champions of our beloved sport? Get ready to witness the birth of legends!

MEDICAL POINTS POSITION DURING THE EVENT

Our event prioritizes participant safety, featuring a network of seven strategically positioned medical stations, each fully equipped with standard first aid medications, essential medical equipment, walkie-talkies, and additional facilities to ensure rapid and effective medical response.

Medical Station Composition:

- Stations 1, 2, 3, 4, and 6: Each of these stations is staffed by a highly qualified team comprising 1 doctor and 1 nurse, ready to provide immediate medical attention.
- Station 5 - The Medical Command Center: This pivotal station is enhanced with a robust medical power supply system and is staffed by 2 doctors and 2 nurses. It houses 1 ambulance on standby for emergency evacuations. Additionally, a stockpile of blankets is on hand to prevent athletes from experiencing abnormal body temperatures post-race, ensuring their well-being and comfort.
- Station 7: This station is equipped with 2 doctors, 2 nurses, and 1 ambulance, mirroring the high level of preparedness of Station 5, including blankets for temperature regulation.

Our comprehensive medical infrastructure is designed to provide peace of mind for athletes, ensuring that medical care is readily accessible throughout the event.

WORLD SKATE MARATHON TOUR REGULATION

We want to remind you that you can always access the rulebook from the page:
<https://www.worldskate.org/speed/about/regulations.html>
Or by clicking [HERE](#).

Just a reminder: The team ranking will be determined based on the three best results (mixed gender) from each team at every event.

“ The Pro Teams score is calculated by adding the results of their three (3) best ranked skaters per stage: men and/or women. “

You can check the point system also in a link that will be provided.

Remind also that to have access to the final season ranking, the skater must participate in the last stage of the season which will be in Havana, for the 2024 season.

ANTI-DOPING

During the sign-up procedure to the Sports Registration System (World Skate Infinity, please see below), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Agencies and/or World Skate during 2022, 2023 and 2024 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the [WADA ADEL platform](#) and complete the relevant Course, according to your role.

We remind you that the [WADA ADEL platform](#) is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA's support directly.
