WORLD SKATE ACADEMY: RINK HOCKEY

World Skate is glad to announce that the Online Courses will be available for Rink Hockey Referees. We are confident that this initiative will further enrich the development of this beautiful sport in all participating countries.

The program and contents will be defined and managed by the Rink Hockey Technical Commission.

The Online Courses will be held through the [new World Skate Academy platform](#).

REFEREES

This year, there will be 3 courses (Level 1, Level 2 and Level 3).

Level 1:

- Course for all National referees who aim at becoming International Referees

Level 2:

- Course for International Referees who want to continue their training and become Advance Referees
- Course for Advance Referees who want to confirm their category to maintain their level (need to complete the course every 2 years).

Level 3:

- Course for Advance Referees who want to continue their training and become Elite Referees
- Course for Elite Referees who want to confirm their category to maintain their level (need to complete the course every 2 years).

At the end of each Level, there will be an Assessment Test for those who want to maintain their Level and a theoretical and practical Exam for those who want to pass on to the next one. More information about both exams will be shared with you in due time.

Please note that the benefits associated with each Level can be found and consulted in the Competition Rules of each competition.

The price of the Referees course is **220 USD**.

The payment can be processed directly on the platform by PayPal. It will be possible to pay through PayPal via credit/debit card and no PayPal account is required.

LESSONS AND SCHEDULE

In view of the updated regulations, some sections of the course will be updated in the coming weeks, so the course will be extended until April 3rd 2024 (11:59 pm CET).

Courses will be available in English and Spanish. All lessons will be pre-recorded and Participants will be able to attend them on the days and times of their choice.

For each lesson, you will have access to a section called “Discussion” in which you will be able to share your doubts, comments and questions regarding the lesson you are watching.

At the end of this course, ALL Referees will receive a Certificate of Participation.

Final Exams will be available from April 4th (from 12:00 am CET) and will end on April 18 (at 11:59 pm CET).

Results will be sent to your email address by an automated email as soon as the test closes.

REGISTRATION

The courses will be carried through a new online platform.

The link for registration is the following:

https://world-skate-academy.thinkific.com/users/sign_up

All Participants will have to register individually and not through the National Federation. The login credentials used on the previous website (Username and Password) will no longer be valid and all Participants will have to register again on the new platform.

Individual payments can be processed directly on the platform by PayPal. It will be possible to pay through PayPal via credit/debit card and no PayPal account is required.

Should National Federations need to pay the courses for their Participants, first they will need to inform us with an email to academy@worldskate.org explaining which participants and which courses the payment should be made for; then they will be able to process the payment via bank transfer or credit card through a direct link.
