INSURANCE REMINDER

To be allowed to receive their accreditation to take part in the Games, all participants, including athletes and officials representing your federation, must possess a valid private health and repatriation insurance in accordance with the Rules of The World Games.

Participants arriving in Chengdu without the corresponding insurance policy will have the choice to purchase one of the plans in the chart at the last page of this bulletin.

This insurance must mandatorily cover the following:

- Accidental medical treatment, sudden illness, and hospitalization allowance.
- Repatriation costs in emergencies requiring a return to your place of departure.

Participants are required to purchase the adequate insurance prior to their departure and provide a valid insurance certificate upon arrival in Chengdu as part of the accreditation process.

Important:

Any participant failing to present their insurance certificate or not meeting the minimum required coverage will not be allowed to participate in The World Games 2025.

World Skate, the Chengdu ExCo and IWGA will not be held liable for any risks, denial, costs or loss arising from a lack of adequate insurance.

We kindly request all National Federations to ensure compliance with these requirements and communicate this information to your athletes and officials at the earliest opportunity.

ADEL CERTIFICATE - CONSENT FORM - TRAVEL INFORMATION

Access to the TWG-EMS Portal was sent to each Confirmed participant at the World Games to their registered email address.

All athletes, medical personnel and the Inline Hockey Official Coach must upload their ADEL certificate to the Portal, no later than July 30th.

At the same time, all confirmed participants must accept the Consent Forms and provide their Travel information at the same Portal, no later than July 30th.

The travel information is essential for the LOC to coordinate the airport - hotel - airport, or railway station - hotel - railway station transport.

Failing to do this on the due date would complicate the accreditation procedure on site. In the case the participant has a problem with this process, do not hesitate to contact us: sportsdepartment@worldskate.org
