COUNTRY QUOTA

Athletes:

National Federations are allowed to register **3 athletes** per gender.

Pre-seeded skaters and the Extra Quota skaters do not count against the Country Quota registration limit.

National Federations do not need to register pre-seeded and extra quota skaters, they must only confirm their participation (more information available in the following sections).

Wild Card Requests:

Athletes otherwise not eligible to compete may be granted a Wild Card by World Skate.

Please note that a Wild Card is granted at World Skate's discretion and is limited to the cases provided for in the "[World Skate By-Laws](#)".

A Wild Card may be granted in case of lack of an existing and recognized NGB in the country of the athlete's origin.

In the case of a Country with a recognized NGB that does not include skateboarding in its activities, the athletes shall mandatorily contact the relevant NGB for approval and clearance to compete for their respective Countries and under their own Anthem and Flag. Should the mentioned Governing Body not answer within 15 days, World Skate might allow the athlete concerned to compete under his/her Country Anthem and Flag.

Wild Card requests must be sent by e-mail to platform@worldskate.org within **May 8th, 2025**.

PARK EXTRA QUOTA FOR OSTIA PARK 2025

The table in the next page shows the top 30 athletes in the World Skateboarding Ranking (WSR) as of April 2, 2025. It lists the individuals whom the respective NF are eligible to register as Extra Quota athletes, up to the top six ranked competitors from their country.

The ones marked with a star[☼] are those currently holding the right to become Pre-seeded, as long as the National Federation registers and confirms their participation before the deadline. The deadline for confirmation is **May 15th, 2025.**

The ones marked with an asterisk[*] are those that are ranked 7th or lower within their own country, but still have the right to take an Extra Quota in case there is any withdrawal from their respective country and gender.

If a Pre-seeded athlete withdraws before the registration deadline, the next highest-ranked skater in the WSR will be pre-seeded. In such a case, we will contact the relevant NF directly.

The Pre-seeded athletes will skip the Open Qualifier and will be pre-seeded directly into the next competition phase.

For the details of Pre-seeded athletes, please refer to the [Competition Season Criteria 2025](#) released on April 3, 2025.

Please note that all participants, including pre-seeded competitors, are required to pay the entry fee.

All skaters must complete the event check-in no later than 2 days before the first day of the competition. This deadline also apply to skaters pre seeded in the Quarterfinals.

- Women & Men : June 2nd, 2025 at 06:00 pm

For those with issues on Registration/Check-in, please contact: platform@worldskate.org.

REGISTRATION

The registration process will be carried out through the World Skate Infinity platform, and will be open from April 22nd, 2025 at 00.00am (CET) to May 15th, 2025 at 11.59pm (CET).

World Skate Infinity is available on [desktop](#) (browser) and App Version on [Play Store \(Android\)](#) and [App Store \(iOS\)](#).

Single Users (Athletes, National Team Members) must individually sign up in the App or desktop version and create a profile (if they have not done so already), with all the required data and information, as well as uploading the mandatory documents: passport copy, profile picture (headshot), AD Training Course Certificate.

Once they have completed creating their profile on Infinity, they are eligible to be registered for the event by their National Federation of belonging.

Payments will be processed through Infinity by credit/debit card or bank transfer. Each National Federation must confirm the participation of its Pre-seeded Athletes within the World Skate Infinity Platform (browser version only) by the registration deadline. Please do not register Pre-Seeded and Extra Quota Athletes (QF or OQ seeding) within your Country Quota on your own, wait for them to be added and confirm (or not) their participation.

Application for Neutral Athletes:

Russian and Belarusian athletes can participate only as “Neutral athletes” following the “[Eligibility Criteria for the participation of Russian and Belarusian Athletes](#)”.

Infinity tutorials:

For National Federations, including how to confirm or refuse the pre-seeded skaters participation: [Watch general tutorial for National Federations](#).

MINOR’S PARENTS / LEGAL GUARDIANS

Minor’s (U18) parents or legal guardians will be able to register to the event by clicking [here](#).

Only **one legal guardian or parent** per minor athlete can be registered.

Registration deadline is **May 8th, 2025**.

The legal guardian/parent is expected to be present with their relevant athlete each day at their required registration time to sign documents.

Please note that providing your data and Passport in Infinity as a verification process for minor skaters’ profile, does not guarantee/provide a credential for the event.

After completing the Form above, parents and legal guardians (if they haven’t done it yet) are required to sign up and create a profile on Infinity as explained in the previous section. Parents and legal guardians must select “Other” as a category when required during the registration process in Infinity.

ENTRY FEE

ALL participating athletes for the event will pay the following fee: **200 USD**. Payments will be processed through Infinity by credit/debit card or bank transfer.

Deadline of the Entry Fee: **May 19th, 2025**

Note: The athletes that have not completed the payment will not be considered “Registered”, and therefore they will not be listed in practice heats nor the competition heats.

ANTI-DOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the World Skate Anti-doping Rules, the International Standards for Testing and Investigation (ISTI), the WADA Code and following the instruction of the WSK AD Manager.

During the sign-up procedure to the Sports Registration System (World Skate Infinity, please see above), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Organizations and/or World Skate during 2023, 2024 and 2025 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the [WADA ADEL platform](#) and complete the relevant Course, according to your role.

We remind you that the [WADA ADEL platform](#) is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA’s support directly.

More details and information will be shared in the next bulletins.
