COURSE UPDATE

Further to the previously provided course information, we are pleased to announce updates to the course obstacles. Renders of these updated obstacles can be found on the following page.

SUSTAINABLE MOBILITY-LIME

In light of the upcoming stages of the World Skateboarding Tour Park and Street Rome 2025, we are proud to launch a new sustainable mobility initiative in collaboration with Lime.

Thanks to this partnership, the promo code **LIMEXWST2025STAFF** will be available, offering 30 rides with a 70% discount, exclusively for athletes and NF staff.

The promo will be available **inside Rome**, which includes Ostia, and throughout the 2 event dates: **May 31st to June 16th**

Please note that the code will only be active through Lime App.

App download is available through [Play Store \(Android\)](#) and [App Store \(iOS\)](#).

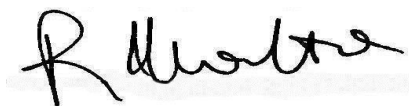

Users will be able to easily access Lime scooters located near the main venues and key points of interest throughout the tour. Further details on parking locations will be shared directly via the Infinity App.

This initiative is part of World Skate's commitment to promoting increasingly sustainable events that meet the evolving needs of urban mobility.

Best Regards,

Leticia Bufoni
Chair of World Skate
Skateboarding Technical Commission

Roberto Marotta
Secretary General
