PREQUALIFIED ATHLETES

Skaters who have participated in previous stages of the International Series and qualified for the final **will be registered by World Skate** in the Infinity platform.

Athletes will be registered using the competition files submitted for the last AIS event in which they participated. To update or change these documents, they must contact artistic@worldskate.org.

Please note that competition files can be updated within 5 days prior to the first day of the event.

Each National Federation must confirm (or decline) the participation of its Pre-qualified Athletes (“Pre-seeded” athletes in the system) within the World Skate Infinity Platform (browser version only) by the registration deadline.

They can do that from the same page used to register athletes to the event by clicking on “confirm” or “decline” below the name of each athlete.

WILD CARDS

Wildcards will be offered by World Skate ATC in consultation with the continent involved.

Once the Wild card has been approved by the Artistic Skating Technical Commission, the relevant National Federation will receive an e-mail by platform@worldskate.org with further information about the competition files to be provided. The registration will then

be processed by World Skate. Once the registration will be completed, the payment option will be made available on the platform.
