Something you need to know:

1. It is important to check the official websites of the Chinese embassies and consulates abroad for visa policy in advance.
2. If there is a Chinese visa center in your resident country/region, you will have to go to the visa center to submit the application. You can check the Chinese Visa Application Service Center website to see if there is a visa center in your resident country/region.
3. You will need to fill in the online application form on the Chinese Visa Application Service Center website. (Applicants need to fill in the visa application form online from September 2020).
4. It is suggested to start the application not later than a month before the travel dates.
5. Fingerprint collection is now required to apply for a Chinese visa. The time when each visa center starts to collect fingerprints is different (you can check on the visa center website). Only applicants who have applied for a visa after fingerprint collection starts at the center do not have to go in person for fingerprint collection.

*Please note that the invitation letter will be issued only after completing the registration process on the World Skate Infinity platform. No exceptions will be made.*
