Men's (no age limit): 8 per discipline per country

Women's (no age limit): 8 per discipline per country

Junior (mixed gender, up to and including 17 years old): 4 per discipline per country

Please note that the age restrictions have changed since the previous World Championships, as per the [2025 Scootering Rulebook](#).

Pre-seeded:

The top 8 riders from each of the Men's and Women's 2023-2024 World Rankings, and the top 4 riders from the 2023-2024 Junior World Rankings, as of 1st September 2025, are pre-seeded into their relevant competition. Pre-seeded athletes do not count against the country quota and do not pay a registration fee for the competition they are seeded into. Pre-seeded riders enter each competition at the first round.

These athletes will be automatically registered for the event and must not register via their National Federation.

WORLD RANKING

The current World Rankings can be found [here](#).

If a Junior athlete is still 17 years of age or younger by 1st September 2025, but is due to turn 18 before the final competition round of the relevant discipline's World Championships, they will be ineligible to compete at the 2025 Junior World Championships.
