COUNTRY QUOTA

Athletes:

National Federations are allowed to register 3 athletes per gender per discipline.

Pre-seeded skaters and the Extra Quota skaters do not count against the Country Quota registration limit.

National Federations do not need to register pre-seeded and extra quota skaters, they must only confirm their participation (more information available in the following sections).

National Team Officials for each NF:

# of Athletes in total (Street & Park)	1-3	4-6	7-12	13-
Team Manager	1			
Doctor	1			
Physio	1	1	2	2
Coach	1	2	3	4
Total # of Staff	4	5	7	8

Moreover, each NF has the right to register its President and its Secretary General.

EXTRA QUOTA FOR SÃO PAULO STREET AND PARK 2025

The tables in the next pages show the top 30 athletes in the World Skateboarding Ranking (WSR) as of December 31, 2025. It lists the individuals whom the respective NF are eligible to register as Extra Quota athletes, up to the top six ranked competitors of the country.

The ones marked with a star[☼] are those currently holding the right to become Pre-seeded, as long as the National Federation registers and confirms their participation before the deadline. The deadline for confirmation is **February 16th, 2026**.

The ones marked with an asterisk[*] are those that are ranked 7th or lower within their own country, but still have the right to take an Extra Quota if there is any withdrawal from their respective country and gender.

If a Pre-seeded athlete withdraws before the registration deadline, the next highest-ranked skater in the WSR will be pre-seeded. In such a case, we will contact the relevant NF directly.

The Pre-seeded athletes will skip the Open Qualifier and will be pre-seeded directly into the next competition phase.

For the details of Pre-seeded athletes, please refer to the Competition Season Criteria 2025 released on April 3, 2025.

Please note that all participants, including pre-seeded competitors, are required to pay the entry fee.

EVENT CHECK-IN

All skaters must complete the event check-in no later than 2 days before the first day of the competition. This deadline also applies to skaters pre-seeded in the Quarterfinals.

- Women & Men : **March 2nd, 2026 at 06:00 pm** (BRT)

REGISTRATION

The registration process will be carried out through the World Skate Infinity platform and will be open during the following period:

January 14th, 2026 (00:00, CET) - February 16th, 2026 (23:59, CET).

World Skate Infinity is available both on [desktop](#) (browser) and App Version on [Play Store \(Android\)](#) and [App Store \(iOS\)](#).

All single users (Athletes, National Team Members) must individually sign up on the platform either through the app or desktop and create a personal profile (if not already done). The profile must include all required personal information and the upload of the following mandatory documents:

- Copy of a valid passport
- A recent headshot/profile picture (passport-style with white background)
- Anti-Doping Training Course Certificate

Once the profile has been successfully created, they become eligible to be registered for the event by their respective National Federation.

Each National Federation must also confirm the participation of its Pre-seeded and Extra Quota Athletes within the World Skate Infinity Platform (browser version only) by the registration deadline. Please do not register Pre-Seeded and Extra Quota Athletes (QF or OQ seeding) within your Country Quota on your own, wait for them to be added and confirm (or not) their participation.

Entry Fee:

ALL participating athletes for the event will pay the following fee: **200 USD**.

Registration fees must be paid through Infinity, and can be completed via credit/debit card or bank transfer.

Please note: if paying by bank transfer, you must upload the proof of payment in Infinity. Without this, the payment cannot be confirmed.

Entry Fee payment deadline: **February 20th, 2026**.

Note: The athletes that have not completed the payment will not be considered “Registered”, and therefore they will not be listed in practice groups nor the competition heats.

Application for Neutral Athletes:

To be communicated in another bulletin.

Wild Card Requests:

Athletes otherwise not eligible to compete may be granted a Wild Card by World Skate.

Please note that a Wild Card is granted at World Skate’s discretion and is limited to the cases provided for in the “[World Skate By-Laws](#)”.

A Wild Card may be granted in case of lack of an existing and recognized NGB in the country of the athlete’s origin.

In the case of a Country with a recognized NGB that does not include the sport concerned in its activities, the athletes shall mandatorily contact the relevant NGB for approval and clearance to compete for their respective Countries and under their own Anthem and Flag. Should the mentioned Governing Body not answer within 15 days, World Skate might allow the athlete concerned to compete under his/her Country Anthem and Flag.

Wild Card requests must be sent by e-mail to platform@worldskate.org within **February 9th, 2026**.

MINOR'S PARENTS / LEGAL GUARDIANS

Minor's (U18) parents or legal guardians will be able to register to the event by clicking [here](#).

Only **one legal guardian or parent** per minor athlete can be registered.

Registration deadline is **February 16th, 2026**.

The legal guardian/parent is expected to be present with their relevant athlete each day at their required registration time to sign documents.

Please note that providing your data and Passport in Infinity as a verification process for a minor athlete's profile, does not guarantee/provide a credential for the event.

After completing the Form above, parents and legal guardians (if they haven't done it yet) are required to sign up and create a profile on [Infinity](#) as explained in the previous section. Parents and legal guardians must select "Other" as a category when required during the registration process in Infinity.

ANTI-DOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the World Skate Anti-doping Rules, the International Standards for Testing and Investigation (ISTI), the WADA Code and following the instruction of the WSK AD Manager.

During the sign-up procedure to the Sports Registration System (World Skate Infinity, please see above), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Organizations and/or World Skate during 2024, 2025, and 2026 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the [WADA ADEL platform](#) and complete the relevant Course, according to your role.

We remind you that the [WADA ADEL platform](#) is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA's support directly.
