# WORLD SKATE ACADEMY: ARTISTIC SKATING

Dear All,

We are pleased to announce the 2026 Artistic Skating courses.

The following bulletin outlines the structure of the Coaches Education Program, including eligibility requirements, certification levels, lessons, assessments, fees, and registration procedures.

This program is designed to support the education and international recognition of coaches, while contributing to the global development of Artistic Skating and raising the standard of competitions worldwide.

## COACHES

For Level 1 it is expected that the National Federations propose maximum two coaches for each discipline (Free Skating, Pairs, Dance, Precision) to officially start the process to be recognized as World Skate Coach.

Only those who have already passed level 1 can access level 2 and only those who have passed level 1 and 2 can access level 3.

During the academic year 2025-2026 it is possible to reach only one level.

At the end of each level there will be an assessment test that will be necessary to access the next level during the next academic year.

**Anyone can attend these lessons but only the 2 coaches nominated by their National Federations will be officially recognized as World Skate Coaches.**

The eligible candidates must complete the whole training prepared by World Skate (level 1,2 and 3) and pass the exams in order to be recognized internationally as a World Skate Coach.

**It is not possible to skip a year. Any coach who stops to take level lessons for a year will have to repeat all the levels they have already completed.**

The Coaches will have the possibility to present courses at a national level, in their own country, with material provided by World Skate.

Please note that the decision to confirm a nominated coach to participate at the World Skate Academy will be solely up to World Skate. The deadline for the National Federations

to send the names and the information requested of the coach/es to [artistic@worldskate.org](mailto:artistic@worldskate.org) is **01/03/2026**.

The World Skate Academy will be training Coaches at all levels with the objective of developing the sport worldwide and increasing the level of competitions to the highest.

**Lessons are open to everyone.**

The complete program will be divided into 3 (three) levels: 1, 2 and 3.

Only the coaches appointed by their National Federations and approved by the Technical Commission to complete the process as World Skate Coach, after passing the relevant exams and completing the 3 levels, will be officially recognized as World Skate Coaches (namely **WSK Coaches**).

Level 1: National Federations are allowed to register an unlimited number of coaches but only **2 (two)** of them for each discipline (Free Skating and Dance) will officially start the process as World Skate Coach.

Level 2: National Federations are allowed to register an unlimited number of coaches but only the **2 (two)** coaches who already obtained the Certificate of Level 1 will officially continue the process as World Skate Coach.

Level 3: National Federations are allowed to register an unlimited number of coaches but only the **2 (two)** coaches who already obtained the Certificate of Level 2 will officially continue the process as World Skate Coach.
