As announced in [WSG General Bulletin#04](#), the Local Organising Committee (LOC) is hosting unofficial practice sessions on the Street & Park FOPs ahead of the official training sessions. See the [venue booking policy for Scootering](#) for more information.

There are multiple two-hour unofficial training slots per day, and each slot costs \$20 (USD) per athlete. As outlined in the policy above, these sessions are non-exclusive and may be shared with other World Skate disciplines. Only one slot can be booked per athlete per day.

Sessions terms for each discipline are below:

Park (25 September - 1 October): max. 12 athletes per session
Street (25 September - 2 October): max. 25 athletes per session

These sessions are only bookable by athletes whose registration has been completed in Infinity. Unofficial training sessions are organised and conducted directly and exclusively by the LOC.

For full information and to book unofficial training, please visit their website [here](#).
