Women's (12+ years old): 8 per country

Please note that the age restrictions have changed since the previous World Championships, as per the 2026 Scootering Rulebook.

Pre-seeded
The top 8 riders from each of the Men's and Women's 2025-2026 World Rankings, as of 27th April 2026, are pre-seeded into their relevant competition. Pre-seeded athletes do not count against the country quota and do not pay a registration fee for the competition they are seeded into. Pre-seeded riders enter the competition at the first round.

These athletes will be automatically registered for the event and must *not* register via their National Federation, provided that their passport and Anti-Doping Certificate are valid and up to date in their Infinity profile.

April 28th, 2026 (00:00 CET) - June 1st, 2026 (23:59 CET).

World Skate Infinity is available both on desktop (browser) and App Version on Play Store (Android) and App Store (iOS).

All single users (Athletes, National Team Members) must individually sign up on the platform either through the app or desktop and create a personal profile (if not already done). The profile must include all required personal information and the upload of the following mandatory documents:

- Copy of a valid passport
- A recent headshot/profile picture (passport-style with white background)
- Anti-Doping Training Course Certificate

Once the profile has been successfully created, they become eligible to be registered for the event by their respective National Federation.

Each National Federation must also confirm the participation of its Pre-seeded Athletes within the World Skate Infinity Platform (browser version only) by the registration deadline. Please do not register Pre-Seeded Athletes within your Country Quota on your own, wait for them to be added and confirm (or not) their participation.

If you require any additional information or assistance about Infinity or the registration process, please reach out to us at platform@worldskate.org.

Application for Neutral Athletes deadline: **May 18th, 2026 (23:59 CET).**

Wild Card Requests:

Athletes otherwise not eligible to compete may be granted a Wild Card by World Skate.

Please note that a Wild Card is granted at World Skate's discretion and is limited to the cases provided for in the "World Skate By-Laws".
A Wild Card may be granted in case of lack of an existing and recognized NGB in the country of the athlete's origin.

In the case of a Country with a recognized NGB that does not include Scootering in its activities, the athletes shall mandatorily contact the relevant NGB for approval and clearance to compete for their respective Countries and under their own Anthem and Flag. Should the mentioned Governing Body not answer within 15 days, World Skate might allow the athlete concerned to compete under his/her Country Anthem and Flag.

Wild Card requests must be sent by e-mail to platform@worldskate.org within **May 25th, 2026 (23:59 CET).**

ENTRY FEE

Men's & Women's: 100 USD

Registration fees must be paid through Infinity, and can be completed via credit/debit card or bank transfer.

Please note: if paying by bank transfer, you must upload the proof of payment in Infinity. Without this, the payment cannot be confirmed.

Entry Fee payment deadline: **June 4th, 2026 (23:59 CET).**

Note: The athletes that have not completed the payment will not be considered "Registered", and therefore they will not be listed in practice heats nor the competition heats.

Pre-seeded athletes do not pay a fee for the specific discipline that they are pre-seeded in.

MINORS' PARENTS / LEGAL GUARDIANS

Minors' (U18) parents or legal guardians will be able to register to the event by clicking here.

Only one legal guardian or parent per minor athlete can be registered.

Registration deadline is **June 1st, 2026 (23:59 CET)**.

The legal guardian/parent is expected to be present with their relevant athlete each day at their required registration time to sign documents.

Please note that providing your data and Passport in Infinity as a verification process for a minor athlete's profile, does not guarantee/provide a credential for the event.

After completing the Form above, parents and legal guardians (if they haven't done it yet) are required to sign up and create a profile on Infinity as explained in the previous section. Parents and legal guardians must select "Other" as a category when required during the registration process in Infinity.

ANTI-DOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the World Skate Anti-doping Rules, the International Standards for Testing and Investigation (ISTI), the WADA Code and following the instruction of the WSK AD Manager and/or Delegate.

During the sign-up procedure to the Sports Registration Platform (World Skate Infinity, please see above), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Agencies and/or World Skate during 2024, 2025 and 2026 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the WADA ADEL platform and complete the relevant Course, according to your role.

We remind you that the WADA ADEL platform is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA's support directly.
