World Skate Infinity is available both on [desktop](#) (browser) and App Version on [Play Store \(Android\)](#) and [App Store \(iOS\)](#).

- Copy of a valid passport
- A recent headshot/profile picture (passport-style with white background)

Once the profile has been successfully created, they become eligible to be registered for the event by their respective National Federation.

Each National Federation must also confirm the participation of its Pre-seeded Athletes within the World Skate Infinity Platform (browser version only) by the registration deadline. Please do not register Pre-Seeded Athletes within your Country Quota on your own, wait for them to be added and confirm (or not) their participation.

If you require any additional information or assistance about Infinity or the registration process, please reach out to us at [platform@worldskate.org](mailto:platform@worldskate.org).

Entry Fee payment deadline: **June 4th, 2026 (23:59 CET)**.

Note: The athletes that have not completed the payment will not be considered “Registered”, and therefore they will not be listed in practice heats nor the competition heats.

## MINORS’ PARENTS / LEGAL GUARDIANS

Minors’ (U18) parents or legal guardians will be able to register to the event by clicking [here](#).

Only one legal guardian or parent per minor athlete can be registered.

Registration deadline is **June 1st, 2026 (23:59 CET)**.

The legal guardian/parent is expected to be present with their relevant athlete each day at their required registration time to sign documents.

Please note that providing your data and Passport in Infinity as a verification process for a minor athlete’s profile, does not guarantee/provide a credential for the event.

After completing the Form above, parents and legal guardians (if they haven’t done it yet) are required to sign up and create a profile on [Infinity](#) as explained in the previous section. Parents and legal guardians must select “Other” as a category when required during the registration process in Infinity.

## ANTI-DOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the World Skate Anti-doping Rules, the International Standards for Testing and Investigation (ISTI), the WADA Code and following the instruction of the WSK AD Manager and/or Delegate.

During the sign-up procedure to the Sports Registration Platform (World Skate Infinity, please see above), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Agencies and/or World Skate during 2024, 2025 and 2026 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the [WADA ADEL platform](#) and complete the relevant Course, according to your role.

We remind you that the [WADA ADEL platform](#) is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA’s support directly.
