**COUNTRY QUOTA**

**Athletes:**

National Federations are allowed to register 3 athletes per gender per discipline.

Pre-seeded skaters and the Extra Quota skaters do not count against the Country Quota registration limit.

National Federations do not need to register pre-seeded and extra quota skaters, they must only confirm their participation (more information available in the following sections).

**National Team Officials for each NF (for Street):**

# of Athletes in total (Street only)	1-3	4-6	7-12	13-
Team Manager	1			
Doctor	1			
Physio	1	1	2	2
Coach	1	2	3	4
Total # of Staff	4	5	7	8

Moreover, each NF has the right to register its President and its Secretary General.

## **EXTRA QUOTA FOR ROME STREET 2026**

The tables in the next pages show the top 30 athletes in the World Skateboarding Ranking (WSR) as of April 15, 2026. It lists the individuals whom the respective NF are eligible to register as Extra Quota athletes, up to the top six ranked competitors of the country.

The ones marked with a star[★] are those currently holding the right to become Pre-seeded, as long as the National Federation registers and confirms their participation before the deadline. The deadline for confirmation is **May 25th, 2026 (23:59 CET)**.

The ones marked with an asterisk[\*] are those that are ranked 7th or lower within their own country, but still have the right to take an Extra Quota if there is any withdrawal from their respective country and gender.

If a Pre-seeded athlete withdraws before the registration deadline, the next highest-ranked skater in the WSR will be pre-seeded. In such a case, we will contact the relevant NF directly.

The Pre-seeded athletes will skip the Open Qualifier and will be pre-seeded directly into the next competition phase.

For the details of Pre-seeded athletes, please refer to the Competition Season Criteria 2025 released on April 3, 2025.

**Please note that all participants, including pre-seeded competitors, are required to pay the entry fee.**

**April 21st, 2026 (00:00 CET) - May 25th, 2026 (23:59 CET).**

Once the profile has been successfully created, they become eligible to be registered for the event by their respective National Federation.

Each National Federation must also confirm the participation of its Pre-seeded and Extra Quota Athletes within the World Skate Infinity Platform (browser version only) by the registration deadline. Please do not register Pre-Seeded and Extra Quota Athletes (QF or OQ seeding) within your Country Quota on your own, wait for them to be added and confirm (or not) their participation.
