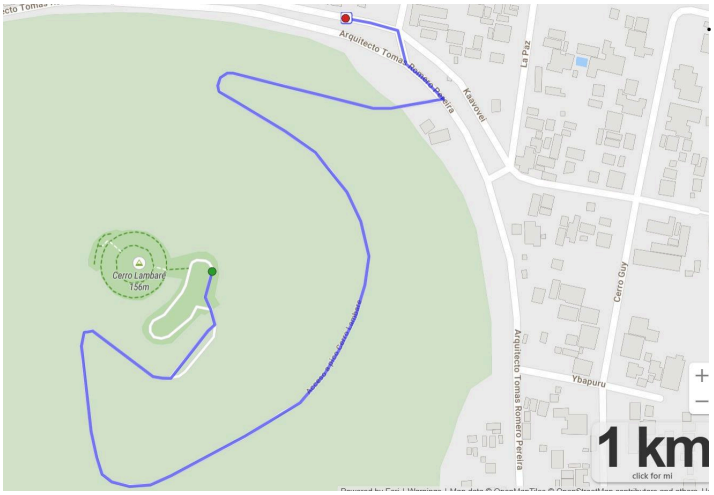
WORLD SKATE GAMES 2026

Dear National Federation,
We are pleased to provide the Skateboarding Slalom World Championships 2026 Sport Specific Bulletin#01, to be held from 14th to 17th of October, as part of the World Skate Games 2026, in Asuncion, Paraguay.

VENUE

The event will take place in Cerro Lambaré,
25 mins away from Asuncion City Centre,
with an approximate altitude of 160m

Length	1km
Steepness	7,7% average 23% maximum



This is an overview of the entire park area of Cerro Lambare. The entire Slalom Skateboarding competition will take place in this park, using specific sections of the pictured track. This venue will also be used by Downhill Skateboarding/Luge and Inline Slalom - without overlapping schedules.

PROVISIONAL SCHEDULE

14 October 2026
Official Training

All registered competitors will have the opportunity to train on the planned competition courses in preparation for the World Championships.

15 October 2026
Giant Slalom (GS)

High-speed single-lane giant slalom racing on a sloped roadway. Competitors will complete a series of timed runs to determine final placings. Detailed race procedures will be announced prior to competition.

16 October 2026
Hybrid Slalom (HS)

Dual-lane head-to-head racing featuring a course with varied cone spacing and changing rhythm sections. All competitors will participate in qualification rounds followed by elimination rounds based on qualification results. The final results from Hybrid Slalom will serve as the tie-break discipline for Overall World Championship standings when required.

In the event that weather or other unforeseen circumstances require modification of the competition schedule, Hybrid Slalom will be given priority consideration due to its role in determining Overall Championship ties.

17 October 2026
Tight Slalom (TS)

Dual-lane head-to-head racing featuring closely spaced cone gates and highly technical course sections. All competitors will participate in qualification rounds followed by elimination rounds based on qualification results.

Daily competition activities are expected to take place between 09:00 and 18:00. Detailed schedules will be published following the close of registration and final confirmation of athlete participation.

Please note that the schedule remains subject to modification based upon operational requirements and final registration numbers.

COMPETITION FORMAT

The 2026 Skateboarding Slalom World Championships will consist of three disciplines:

- Giant Slalom (GS)
- Hybrid Slalom (HS)
- Tight Slalom (TS)

Each discipline is designed to challenge competitors using different technical strategies and racing formats.

Competition courses are marked by cone gates. Athletes must navigate the course while maintaining speed and precision. Time penalties are assessed for displaced cones, and excessive cone violations may result in disqualification in accordance with the applicable competition rules.

Athletes will start using approved launch ramps, and all runs and races will be electronically timed.

REGISTRATION

The registration process will be carried out through the World Skate Infinity platform and will be open during the following period:

July 1st, 2026 (00:00, CET) - September 10th, 2026 (23:59, CET).

You can find all the information regarding the registration process (including Wild Card and Neutral Athletes applications) in Official General Bulletin No. 1 of the WSG at the following link.

If you require any additional information or assistance about Infinity or the registration process, please reach out to us at platform@worldskate.org.

COUNTRY QUOTA

Each National Federation may register a maximum of ten (10) athletes:

- Five (5) Men
- Five (5) Women

Athlete selection shall be determined by the respective National Federation.

All registered athletes are expected to compete in the three scheduled disciplines: Giant Slalom, Hybrid Slalom, and Tight Slalom.

There is no minimum or maximum age requirement for participation in Skateboarding Slalom at the World Skate Games 2026.

Entry fee:

The registration fee is 150 USD per athlete.

Registration fees must be paid through Infinity, and can be completed via credit/debit card or bank transfer.

Please note: if paying by bank transfer, you must upload the proof of payment in Infinity. Without this, the payment cannot be confirmed.

Entry Fee payment deadline: **September 17th, 2026**.

National Team Officials

Each National Federation may register a maximum of five (5) National Team Officials (NTOs), allocated as follows:

- Coaches: up to 2
- Team Manager: 1
- Doctor: 1
- Physiotherapist: 1

PRE-SEEDED ATHLETES

Athletes who achieved a Top 10 placement in the ISSA Pro World Rankings during the 2024 and/or 2025 seasons have earned Pre-Qualified status (Pre-seeded) for the World Skate Games 2026.

Each National Federation must confirm the participation of its Pre-seeded athletes through the World Skate Infinity Platform (browser version only) by the registration deadline.

National Federations must not register Pre-seeded athletes independently within their Country Quota. These athletes will be added to the system and their participation must then be confirmed (or declined) accordingly.

Pre-seeded athletes do not count towards the country quota registration limit.

Please note that pre-seeded athletes are still subject to the registration fee of USD 150 per athlete.

ANTI-DOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the World Skate Anti-doping Rules, the WADA Code, the International Standards for Testing and Investigation (ISTI), incorporating the requirements of the Technical Document for Sport Specific Analysis (TDSSA), and following the instruction of the World Skate Anti-doping Delegate.

During the sign-up procedure to the Sports Registration System (World Skate Infinity, please see above), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Organizations (NADOs) and/or World Skate during 2024, 2025 and 2026 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the WADA ADEL platform and complete the relevant Course, according to your role.

We remind you that the WADA ADEL platform is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA's support directly.

For any other information, please contact sportsdepartment@worldskate.org

Looking forward to seeing you all in Paraguay!
