All men and women athletes in the Pro categories will be registered directly by World Skate based on the ranking (view the rankings here: [Link](#)), provided they have a complete [Infinity](#) profile with a valid [passport](#) and [Anti Doping course certificate](#).

Upon registration, each athlete will receive an automatic email; from that moment, they will have seven days to complete the process by paying the entry fee via Credit/Debit card directly in Infinity. Athletes in the Classic discipline must also upload their music file during the payment process.

On May 5th, World Skate will begin registering athletes who have successfully submitted the pre-registration form.

Junior (U15) and Pairs Registration:

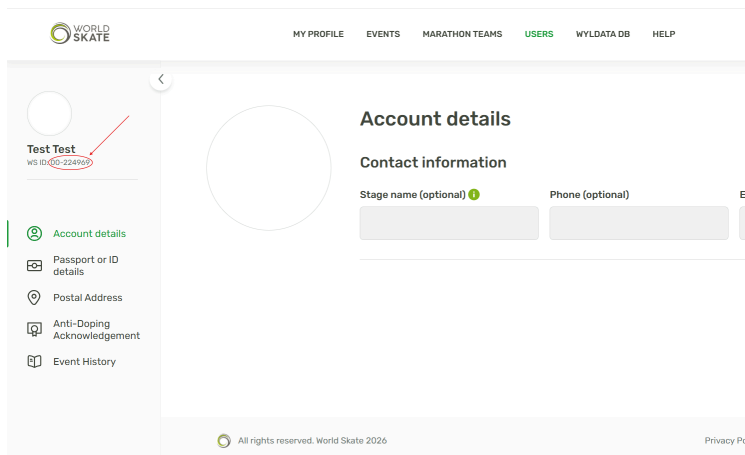

All athletes in these categories must create their own profile on our registration platform, [Infinity](#), and upload a valid [passport or National ID card](#) in the passport section, along with their [Anti Doping course Certificate](#). During the registration period, Junior and Pair athletes are responsible for registering themselves independently for the event, subject to maximum quotas (see table above). They can do so by accessing their profile In Infinity (once completed), selecting 'Events' at the top, then 'All Events', 'INLINE FREESTYLE WORLD CUP 2026 - Milano Hero Battle Cup', and their chosen discipline(s).

To complete the process, the entry fee must be paid via credit or debit card within five days of submitting the registration. Failure to complete the payment within five days will result in the registration being considered invalid.

Athletes in Classic and Pair disciplines must also upload their music file during the payment process.

Pairs registration process:

To register your Pair for the event, you must ask your partner for his/her World Skate ID (WS ID), which is displayed under the name on his/her profile page in Infinity, as shown in the image below. Please note that the Infinity WS ID is different from the Skater ID on the World Skate Website.

Once you have obtained your partner's WS ID, proceed as follows:

- Go to the 'Events' section and select the relevant event.
- On the event page, click the 'Inline Freestyle' button, then select 'Register'.
- After clicking 'Register' next to the intended Pair discipline, enter your partner's WS ID.
- On the same page, you can also upload your Pair music file.
- Upon selecting 'Register', your partner will receive a notification to confirm the registration.

Once confirmed, both of you will be able to pay the entry fee to complete the registration process.

Neutral Individual Athletes:

Russian and Belarusian athletes and their support personnel (when applicable) can participate only with a "Neutral status" following the "[Eligibility Criteria for the participation of Russian and Belarusian Athletes](#)".

Coaches Registration:

Coaching personnel wishing to participate in the event must complete the following [Google Form](#) and create a complete profile on our registration platform, [World Skate Infinity](#), by uploading a valid passport or National ID card and Anti Doping course Certificate. World Skate will evaluate each request; once approved,

coaches will be registered accordingly, provided that the athlete(s) they are coaching are already registered in the system for the event.

ENTRY FEES

Each participating athlete will pay an entry fee of \$80 per each discipline, payable via credit/debit card through our registration platform, Infinity.

If you require any additional information or assistance about Infinity or the registration process, please reach out to us at platform@worldskate.org.
