RACE COURSE

The course is composed of three sections:

- First section: a 3.2 km point-to-point from the start to the loop
- Second section: a 3 km loop, completed 11 times
- Third section: a 3.3 km point-to-point leading to the finish line

The start and finish lines are at the same location.

ANTIDOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the Mediterranean Games Antidoping Rules which comply with the World Anti-Doping Code (WADA Code) and the International Standards.

All competing athletes are classified as International-Level Athletes and must hold a Therapeutic Use Exemption (TUE) in advance for medical use of prohibited substances. Pre-existing TUEs issued by World Skate or NADOs meeting ISTUE criteria will be recognized by the ICGM. Athletes without a valid TUE must submit an application directly to the ICMG as soon as possible.

Should you need a new Anti-Doping Training Course Certificate, please visit the [WADA ADEL platform](#) and complete the relevant Course, according to your role.

We remind you that the [WADA ADEL platform](#) is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA's support directly.

For any further information, do not hesitate to reach out to us.
