WORLD RANKING

The Challenger is a World Ranking event with up to 20,000 points available for 1st place in each of the categories and disciplines. All points earned by eligible riders will contribute to their 2025-2026 World Ranking.

To view the current Rankings and for more information about the system, including points awarded per finishing position, please check our website [here](#).

REGISTRATION

Registrations will be handled exclusively by the Local Organising Committee (LOC), and the registration window will be open from 8th October - 5th November 2026.

Details about the registration process will be shared in an upcoming bulletin.

The registration fees will be as below:

Men's & Women's: 50 USD

Junior: 25 USD

Athletes must create an [Infinity](#) profile in order to be validated in the official World Skate Challenger results. Infinity is World Skate's sports platform which is used to verify athlete information and eligibility to compete. This profile must include an up-to-date anti-doping certificate and a valid passport.

Any athletes without a complete Infinity profile including a valid anti-doping certificate and passport will be allowed to participate but will not receive World Ranking points.

If you have any questions, contact scootering@worldskate.org

ENTRY REQUIREMENTS

The entry requirements for Men's, Women's and Junior Street competitions are aligned with rules in the [2026 Rulebook](#). These are as follows:

- Men's & Women's: 12+ years old
- Junior (mixed gender): 12-17 years old

Junior athletes must be a minimum of 12 years old on the first day of official practice and a maximum of 17 years old on the final day of competition. If an athlete is 12-17 years old, and therefore still eligible to compete in either Men's/Women's or Junior categories, they can choose to compete in either category.

However, if a rider has registered for, and completed a single run in, a Men's/Women's competition at a World Skate ranking event or Continental Championship, they will no longer be eligible to compete in Junior for any future World Skate ranking events or Continental Championships in the same discipline.

For example, a rider can compete in Men's/Women's *Park* but Junior *Street*, given that they have never participated in Men's/Women's *Street*.

COMPETITION FORMATS

The confirmed competition format will be communicated after registrations close. The provisional structure is as follows:

Qualifying Rounds

2x 45-second runs

Best run counts

Max score: 100

Final Rounds

2/2/2 format*

2x 45-second runs followed by 2 single trick attempts

Runs scored out of 100, tricks scored out of 50 each

Total score combines the best run score with the best single trick score

Max score: 150

**This format has been specially approved by the Technical Commission as a modified version of the standard World Skate 2/3/3 format.*

ANTI-DOPING

The doping controls, the sample collection processes and the laboratory analysis will be conducted in accordance with the World Skate Anti-doping Rules, the International Standards for Testing and Investigation (ISTI), the WADA Code and following the instruction of the WSK AD Manager and/or Delegate.

During the sign-up procedure to the Sports Registration Platform (World Skate Infinity, please see above), all athletes and staff members must upload a valid Anti-Doping Training Course Certificate. Those issued by WADA (through the Adel platform), ITA (International Testing Agency), National Anti-Doping Agencies and/or World Skate during 2024, 2025 and 2026 are accepted.

Should you need a new Anti-Doping Training Course Certificate, please visit the [WADA ADEL platform](#) and complete the relevant Course, according to your role.

We remind you that the [WADA ADEL platform](#) is not run by World Skate; therefore, should you have any issue in this regard, you will need to contact WADA's support directly.
