Tie-Breaking Protocol

Protocole des ex æquo

Tie break rules:
1. The skater with the highest scoring run is ranked first.
2. If still tied, the score from the second best single trick breaks the tie.
3. If still tied, the jury votes (electronically) to break the tie. In case of several ties, the judges will be asked again to vote until all ties are broken.

Tie break for rank: 4
