ENTRY PROCEDURE

Entry procedure is open to all trainers and judges of all the National Federations with the following rules:

Trainers:

Each National Federation can present a list of trainers (no limits) to join the seminar in the different disciplines.

Judges:

It's mandatory for the Federations that want its own nation to be represented by a judge in the following two years in FIRS competitions, the presence of at least one judge in the seminar. All level judges can assist at the seminar.

Every Federation can present a list of Technical Specialists candidates for each discipline. For the candidates in Freeskating and Pairs Specialists, there will be an international test during the seminar.

LANGUAGE

The official language of the seminar is English with some of the lessons in Italian. It will be available the service of simultaneous translation English -Spanish - Italian.

FIRS TRAINERS

Every National Federation has to identify which are the trainers, for each discipline (maximum three for each discipline), to propose as FIRS coaches.

The seminar will result as an update for the FIRS trainers. To keep the FIRS Coach level, trainers must participate at one FIRS Seminar each two years (TBD).

FIRS Coaches GOALS:

- They will be the only ones can be at the skaters area during FIRS competition.
- They will be taken into consideration as instructor for local seminars or national seminars in the territory around their nation.
- They will be the ones participating to technical meeting with the FIRS ATC.
- Their point of reference will be FIRS ATC.
- They will be the ones to propose changes or technical modifications to the disciplines they represent.
