## II. COMPETITION ARENA

Vendéspace is a high level sports arena. The shape of the main rink (50m x 25m) ensures an optimal visibility for spectators while respecting the most demanding international events.

With many brand new equipments, Vendéspace offers an excellent sound quality, central suspended screen for scores display and all necessary infrastructures for the successful delivery of events such as World Championships.

Vendespace in the heart of the France great west.

Train, plane, vehicle, bus, the Vendéspace is at the crossroads of important means of communication. The international airport Nantes Atlantique, the TGV station of La Roche sur Yon or the highway connecting Paris to the Vendée coast thus make **London accessible in 1 hour by plane** and **Paris in 3 hours of TGV**.
