

February 14<sup>th</sup> 2020

Dear Sirs,

Due to the spread of the coronavirus (2019-nCoV), the Local Organizing Committee has been forced to slow down the work construction of the skateparks in both cities: Nanjing and Yangcheng. Workers are not allowed to go to work, due to the state of emergency of the country.

We are under the obligation of suspending the Nanjing's International Skateboarding Open 2020 scheduled for April 14<sup>th</sup> -19<sup>th</sup> and postpone the Yangcheng's event to following week, form April 13<sup>th</sup> - 19<sup>th</sup>.

Further information about Nanjing's ISO reschedule will be released soon.

We appreciate your understanding.

Best Regards,
