## DATE EVENT - UPDATE

---

We communicate that the Costa Verde skatepark, where the World Skate Lima Open 2020 will take place, will need to undergo remodeling in response to the demands of competition that this Qualification Event for Tokyo 2020 needs.

Different construction companies have been contacted to make sure that the remodeling is perfectly done and the final decision has been to assign the project to California Skateparks.

The execution of works requires time and forced a reschedule of the event from March 16<sup>th</sup> - 22<sup>nd</sup> to April 5<sup>th</sup> - 11<sup>th</sup>. The event will take the place of Yangcheng's ISO event which had to be postponed due to the Coronavirus outbreak related delays in the venue construction.

The World Skate Lima Open 2020, beyond being sanctioned as a 5 Star event for Street and Park, will also be sanctioned as the **Pan-American Continental Championship of Street**. Skaters from the American continent, competing in Street will receive both 5 Star and Continental Championship WSR points.

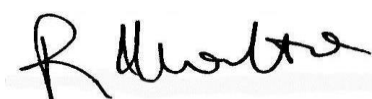

Thank you, we apologize for any inconvenience.

More information is forthcoming.
