ARTISTIC SKATING WORLD CHAMPIONSHIPS 2021

Dear Sirs,

We are very pleased to confirm that the Artistic World Championships 2021 will be held in the city of Asunción from September 29th to October 09th.

Taking into account the health and safety of our athletes and staff members, we have been and will be constantly monitoring the situation to provide the latest updates on the Covid-19 mitigation measures.

COVID-19 PROTOCOL

Being the athletes, judges and all the staff working in the event, the absolute priority for World Skate, together with the Medical Commission, we have created the following COVID-19 Protocol which will be applied at the event in order to guarantee all parties are healthy and safe. You can download the World Skate Protocol by clicking [here](#).

The Local Organizing Committee (LOC) has redacted a Covid-19 protocol for the event in compliance with the national law and regulations and the World Skate guidelines. This protocol is constantly evolving depending on the latest countermeasures to mitigate the spread of Covid-19 pandemic. You can download the latest version of the LOC Protocol [here](#).

More details about venue access and protocols will be shared after the registration is closed, once they are delimited together with the local authorities, organizers and the medical agency.

ENTRY REGULATIONS

According to the national laws and international travel guidelines, in order to enter Paraguay you are required to meet the following criteria:

- take a PCR test up to 72 hours before entering Paraguay, with negative results;
- complete a [Traveler Health Form](#) online within 24 hours of entering Paraguay;
- have international medical insurance with full coverage of Covid-19 treatment costs.

The Local Organising Committee proposes a convenient insurance plan that covers all risks (extensive coverage, sports accident, Covid-19 related issues). Please check this in detail in the attached [Delegation Booklet](#). **This is mandatory to travel to Paraguay.**

Please note that the regulations and requirements to exit and re-enter each country are different and shall be monitored individually. Since the travel restrictions are constantly evolving, we invite you to check their status frequently.

More information on the Covid-19 situation in Paraguay can be found, in Spanish, at <https://www.mspbs.gov.py/covid-19.php>.

TECHNICAL MEETING

The ATC Technical Meeting will be held on October 8th. Time and location will be defined in compliance with the Covid-19 protocol and competition program.

DRAW MEETING

The Draw Meeting will be held on September 28th. Time and location will be defined in compliance with the Covid-19 protocol and competition program.

During the meeting you will be informed on the updating of the Technical Rules.

ANTI DOPING

The anti-doping control will be carried out according to World Skate Medical Regulations.

Anti-Doping forms will be required for both athletes and staff members.

All athletes and staff members must complete the Athletes/NTOs section online, including uploading a valid Anti-Doping Training Course Certificate, in the World Skate Platform: <https://platform.worldskate.org/web/>

[Athletes/NTOs Section User Guide](#)

Only upon completion of the abovementioned procedure, National Federations will be enabled to register respective athletes and staff members.

REGISTRATION

Registration will take place through the online World Skate Sports Entry Platform.

The platform will open on **August 25th** at **00:00 am (CET)** and will close on **September 15th** at **11.59 pm (CET)**.

Due to COVID-19 regulations on international and domestic traveling, venue logistics and event organization, World Skate and the Organizers require the registration of essential National Team Staff only.

Please note that only athletes and staff members who have completed the Athletes/NTOs Section in the World Skate Sports Entry Platform are eligible to be registered to the event.

You can access the Platform through the following link: <http://platform.worldskate.org/web/>

Please download the User Guide by clicking [here](#).
