### VENUE ACCESS

Due to limited capacities, all Federation staff will ONLY have access to the venue and staging area if they have an athlete in the heat that is practicing and/or competing. No access will be given for any other heat, no exceptions. **Please be respectful and clear from the staging area upon completion of the heat immediately.**

Cleaning will occur between each heat so even if you have an athlete in the next heat, you must still clear the area for cleaning to be completed.

Federation staff cannot be on the course at any time. They must stay in the staging area at all times, no exceptions.

**Filming/photos are allowed ONLY during practice and ONLY from the staging area (not on the course).**

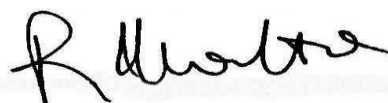

Please note, due to capacity restrictions, some registered medical staff access will be limited to the medical area during certain Men's Street heats.

We look forward to seeing you soon.
