REGISTRATION

We remind you that the registration process will be open **until June 21st 11.59pm (CET) through the Infinity Platform.**

Please refer to [Bulletin 02](#) to find all the details and instructions.

If you have any issue or question regarding your registration, please contact us at platform@worldskate.org.

ACCOMMODATION

Due to high demand, the official hotel of the event (EXE International Palace) has run out of availability very quickly on the night of June 25th. For those of you arriving **from June 26th on**, EXE International Palace still got some rooms available and we invite you to immediately send your booking request to reservations@exeinternationalpalace.com, following the instructions given in [Bulletin 01](#).

We invite all athletes and delegations who need to arrive by June 24th or 25th to contact the official travel agency of the event at StreetSkateboardingRome2022@aimgroup.eu. They will re-direct you to the second official hotel of the event, which is:

Saint John Hotel

Via Matteo Boiardo, 30, 00185 Roma RM
800m to Parco del Colle Oppio

Considering that this period is considered high season in Europe, rooms and rates are subject to availability, therefore we highly suggest contacting the agency ASAP.

Should you have extra accommodation requests or needs, feel free to contact StreetSkateboardingRome2022@aimgroup.eu as they will promptly assist you with the hotel search.

TRANSPORTATION

Daily transfers from the official hotel/s to the venue and vice versa will be provided to athletes and teams accredited to the event.

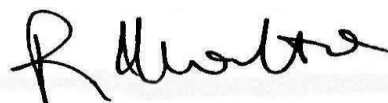

A detailed timetable will be shared soon according to the practice/competition schedule.

We look forward to seeing you in Rome!
