SEEDING CRITERIA USED FOR SCHEDULING

Junior Men and Junior Women:

Because the divisions were not offered in 2020 and 2021 due to Covid, we used the 2019 Championship Rankings to seed the Teams for this event.

The Teams that did not participate in 2019 were seeded in alphabetical order after the 2019 seeded teams.

Senior Women:

Because 2020 and 2021 were Covid years, not all teams were able to participate in the 2021 Championship, it has been decided to use the 2019 and the 2021 Championship rankings to determine the 2022 seeding.

Senior Men:

Because 17 teams registered it was decided that the top 10 teams would divide into groups A and B and the remaining 7 teams would divide into groups C and D.

The top 8 teams from the 2021 world championships (CZE, CAN, ESP, ITA, FRA, COL, SUI, SVK) plus the next 2 highest ranked teams (USA, ARG) according to the world ranking system would make up the top 10 teams.

After the top 10 teams were decided, the current world ranking system was used to determine the seeds in the various groups.
