# INTRODUCTION

## MISSION AND VISION

World Skate is the sole governing body, recognized by the IOC, for all sports performed on skating wheels. Its main role includes recognizing, assisting and representing over 135 Member Federations in the five Continents in the development and promotion of all disciplines, as well as promoting the development and the spreading of such disciplines in non-member countries. World Skate aims to promote the visibility and the development of all its disciplines through international events, including (but not limited to) the World Championships. The Inline Hockey World Championships (hereinafter referred to as “Championships”) are held annually, except in the year of the World Skate Games, which encompass them.

## CONCEPT

The concept, as well as the way the event is prepared and operated, shall be taken into consideration by the potential Host Cities through the following elements:

- Sense of unity among the athletes from different countries.
- Promotion of the Host City and its Tourism Industry.
- Harmony with nature and other environmental considerations.
- Compliance with World Skate Statutes and By Laws, with IOC Anti-Doping Rules, the WADA Code and World Skate Anti-Doping Rules, as well as the Rules of the Inline Freestyle Technical Commission, and compliance with the obligations under the contract of the Championships signed with World Skate.

## BENEFITS

The Championships will be a high-level sports festival, marking every year the participation of about 30 nations, and a crowd of supporters and aficionados attending the event for about five days.

The enhancement of the infrastructures, the renovation of existing sport facilities or the building of new ones will entail huge benefits for the Host City not only for this event, but also for many other events in the future. The organization of such event shall trigger a strong economic impact, generating huge revenues, *inter alia*, coming from:

- sponsors
- ticketing
- sales commissions from food service
- restaurants and hotels concessions
- stands rental
- sale of merchandising and souvenirs
- tourism in the following years
- creation of new partnerships
- advertising and launch of new products, not necessarily sports-related.

## ORGANIZATION FEE

The Host City shall pay World Skate a Championships organization fee of at least 50,000 USD Any higher offer will be an added value for obtaining the awarding of the Championships. Payment methods shall be detailed in the “Candidature Submission”.

In case after the awarding the Championships and before signing the contract, the Host City withdraws, World Skate reserves the right to award the Championships to another candidate.

## Section 2

# RESPONSIBILITIES

## INTRODUCTION

**World Skate** is entitled to organize the Championships, and owns all commercial, media and intellectual property rights.

**World Skate** grants the right to stage, promote and organize the event in accordance with the specific terms and conditions provided for in the Contract.

**World Skate President** is the only legal representative of World Skate and is entitled to sign the contract with the Host City.

**World Skate Vice-Presidents** have the duty to promote and develop the Championships in their Continental Areas through all mass and social media, advertising etc.

**World Skate Chairman of the Inline Freestyle Commission** is in charge of the technical program of the Inline Freestyle World Championships.

## WORLD SKATE KEY RESPONSIBILITIES

- Identify potential organizers, coordinate and follow-up candidatures, manage documentation and information, lead inspections, organizational, coordination and technical visits of the Candidate
- Draw up the program for both the general event and competition.
- Communicate the technical details regarding competitions, sports equipment and regulations.
- Supervise for approval the activities carried out by the Host City.
- Track and help to resolve any issue or obstacles that may come up during the organization of the event.
- Approve the general event’s concepts, themes and publications.
- Coordinate, where requested by the Host, marketing, sponsor partnerships and other commercial or promotional activities.
- Establish accreditation guidelines.
- Ensure that the Timeline set out in this bidding application and ratified in the subsequent contract there of is met, and approve the relevant updates submitted by the Host City.
- Promote the event all over the world through World Skate Communication and Promotional Media.
- Coordinate smooth overall event-related operations: anti-doping controls, marketing, media & communications.

- Provide the formats for competitions as well as criteria concerning athletes and qualification systems.
- Ensure the participation of top athletes.
- Provide the sports registrations through the Sport Entry Platform.

## HOST CITY - KEY RESPONSIBILITIES

- Establish a Local Organising Committee (LOC) as following:
  - President of the LOC.
  - Project Manager
  - Communication Manager.
  - Transportation Manager.
  - Accommodation Manager.
  - Venue Manager.
  - Protocol Manager.
  - Marketing Manager.
  - Person/s Person in charge of medical care and emergencies.
  - Person/s Person in charge of Anti-Doping Control.
  - Person/s Person in charge of Accreditation.
  - Any other staff deemed necessary.
- Ensure that the Championships are of a world - class standard.
- Promote the event, the competitions and World Skate Program both domestically and internationally.
- Promote national and international marketing, communication and promotional plans to be approved by World Skate.
- Manage all necessary press releases dealing with matters including but not limited to dates, deadlines, announcements and marketing issues that shall always be subject to the prior approval of World Skate; the Host City shall use its best endeavours to ensure that the Championships are widely publicized, ensuring that the dedicated website contains daily updates on both competitions and results. Press releases of sports or technical nature shall be approved in advance by World Skate.
- Design a logo and related images for the promotion of the event, which will be also used for the “Look & Feel” during the event in cooperation with the Graphic Manager of the Communication Dpt.of World Skate
- Collaborate with World Skate to establish the general event program, and World Skate Programs (Gala, Doping-Free Sport, institutional meetings, press conferences and so on).
- Prepare a financial plan, including the drafting of an event budget.
- Communicate every three months to World Skate the various steps regarding the organization of the event getting in touch with the different Departments that may support the Host in overcoming the problems that may arise from time to time. Naturally, the closer the event date the more frequent the updates will be.
- Provide and set up infrastructures and venues, equipment, technology and facilities for the success of competitions.

- Manage the organization, coordination and implementation of on-site technical visit and inspections.
- Organize the logistics for all accredited families.
- Manage and facilitate the accreditation operations of all the attendees, including national and international media representatives, arrange the look and content of the accreditation cards, the accreditation zones and access controls following the guidelines provided by World Skate.
- Provide assistance to all participants in obtaining visas, including information on required vaccinations (if necessary).
- Provide all the volunteers with uniforms, whose design shall be approved in advance by World Skate.
- Organize Top Opening, Closing and Award Ceremonies in compliance with the requirements set out by World Skate.
- Establish and manage the infrastructure and the services to enable anti- doping sample collection and laboratory analysis.
- Organize medical services to all the people attending the Championships, arranging First Aid and medical care at the training and competition venues.
- Provide Transfer of Knowledge (ToK), as “know how” data, information, working processes, operational strategies, etc. to World Skate within one month after the end of the event, and a “Facts and Figures” document concerning all possible figures and percentages related to any aspect of the event (logistics, communication, press, media etc.) within 10 days after the end of the event.

## HOST CITY'S RIGHTS

The Host City shall retain full rights from for revenues derived from:

- Ticketing.
- Local and/or national administrative funding.
- Sponsors (advertising spaces on event's program and billboards within the venues) except a possible Title Sponsor, whose rights and revenues belong to World Skate.
- Commissions, if any, from restoration and accommodation services, including but not limited to restaurants and hotels
- Rental of stands.
- Sale of Championships' clothing, including merchandising and other souvenirs.
- National TV Rights, subject to a written agreement with World Skate.

Section 3

## EVENT

The Inline Freestyle World Championships are an international event, staged every year, which celebrates the excellence of the different specialties of this discipline.

- High Jump
- Freestyle Slides
- Pairs Freestyle Slalom
- Speed Slalom
- Classic Freestyle Slalom

- Battle Freestyle Slalom

This event also entails the possibility to organize, in addition to competitions, also meetings and seminars for coaches, delegates and judges, official events, press conferences, gala events, etc. The Technical Commission reserves the right to include other competitions or to replace any of them with different ones.

All the competitions shall be promoted through national and international broadcasting, social networks and media.

A Doping Free Sport program shall be an integral part of the Championships. World Skate, in connection with the Host City, shall be responsible for all the information concerning the controls before, during and after the competitions, ensuring that these controls shall be conducted in accordance with the WADA rules and its international standards.

The Championships will be scheduled over 5 days sometime between July and November of each calendar year.

World Skate is responsible for establishing the official sports program of the Championships. All participating athletes shall belong to World Skate Member Federations, comply with World Skate Regulations and World Anti-Doping Code and shall agree to doping controls as deemed necessary.

The general competition format is established by the Inline Freestyle Technical Commission in accordance with World Skate Inline Freestyle Technical Regulations and checked for consistency by World Skate certified international judges and scorekeepers.

Each athlete participating in the Championships will be given the opportunity to have a practice period within the Championships venue prior to the beginning of competitions.

---

## Section 4

# VENUES

During the candidature process, World Skate shall evaluate the appropriateness of the infrastructures in terms of quality, safety, location, capacity etc. to provide a smooth running of the competitions.

The Field of Play (FoP) shall be approved by World Skate and shall meet all World Skate technical requirements in relation to surface, size, adherence etc... and all safety and health requirements for all participants.

Accessibility of all participants, sufficient spectator capacity and access for people with disabilities shall be guaranteed.

The venues shall include, without limitation, the following: sufficient space for all those involved in preparing, organizing and staging the event; dressing rooms, facilities that shall be suitable for athletes training, practicing and competing during the Championships, for spectators, media and World Skate administrators. Such facilities shall be made available and in perfect conditions for the full period which World Skate shall reasonably request.

# TECHNICAL REQUIREMENTS

The Host City shall ensure that the surface and the size of the rink may not be altered from the ones originally specified without the prior written permission by World Skate.

The minimum requested competition area (FoP), preferably an in-door facility, is 50m x 30m (eventually 45mx 25m may be accepted). A wood surface flooring (e.g. flat, level, quality grip) is required to guarantee the athlete's safety. The flooring shall be approved by World Skate.

It is compulsory to provide an area for warm-up and, whose flooring shall be the same as the competition area.

The facilities shall also include a minimum number of 1000/1200 seats for the spectators, with reserved and diversified seats for the authorities, VIP guests, World Skate members, judges, press officers, photographers, athletes and delegates.

A Timing, Scoring and Sound system.

Facilities shall be available since at least 2 days before the Championships until the end of competitions.

The Host City shall also guarantee for the entire period of the Championships the following

## GENERAL REQUIREMENTS

- Medical and First Aids services, Ambulance.
- 1 doctor on-call near or at the competition venue.
- Infirmary for athletes and spectators.
- Anti-Doping control rooms, separated by gender with reserved toilets.
- Reserved rooms for the World Skate President and the World Skate Management and Staff, for the Technical Commission, for judges and calculators, for Media press and Accreditation. All these rooms shall have WIFI connection and shall be fully equipped with water, coffee and fruit, plugs and printers; for security reasons a person in charge for each group shall have the key of the room.
- Booths for the sale of local products as well as sponsors of the Championships or skate producers or sport equipment that request it with an agreement with the Organizer.
- Lighting suitable for filming the competitions.
- Water supply to be directly handed to the athletes and judges.
- Board of results for spectators
- Toilets reserved for spectators
- Permanent cleaning service

**More detailed technical guidelines shall be available to all those who shall submit their candidatures.**

## INSPECTION

During the bidding period World Skate will appoint 2/3 persons to inspect the venues and verify that all promotional, technical, logistics and communication aspects comply with the requirements of the bidding application.

Once the Championships are awarded, World Skate shall schedule min.2 inspection/technical visits to supervise the selected venues and to support and advice the Host in the organization of the event.

The Host City shall incur the traveling, board and lodging, and transportation expenses for World Skate Managers that perform inspections, whose number will be set from time to time by World Skate.

# LOGISTICS

The Host City is responsible to manage and facilitate the logistics of the World Skate Inline Freestyle World Championships as regards all participants/accredited families:

- World Skate Family
- National Federations
- Media

## TRAVEL AND ACCOMODATION

The Host City shall incur the traveling expenses for the whole World Skate Family (approximately 30 people) including:

- President
- Inline Freestyle Technical Commission
- Technical Officials (Judges and Scorekeepers)
- World Skate Manager and Staff
- Communication Staff
- Anti-doping Manager
- Announcers
- Streaming crew (if necessary)

The Host City shall provide round-trip flights (if possible direct flights) in economy class and shall try to meet at best way the needs of the members of the World Skate Family.

Tickets shall be directly sent by the Host City in due time to the members of the World Skate Family. An invitation letter shall also be sent, if necessary, for obtaining the visa, whose period of validity shall be consistent with the accommodation dates.

The Host City will take on responsibility for accommodation, full board and lodging in 4\* or 5\* International Hotels, and all related expenses for all the members of the World Skate Family mentioned above. Hotels shall be close to the venue; walking distance is preferable.

The hotel reserved for the World Skate Family shall be considered as their Headquarters, and no National Federations shall be lodged in the same hotel.

The abovementioned accommodation plan shall be provided according to the following scheme:

WORLD SKATE FAMILY	NR.	Arrival days before the event	Arrival before the Opening Ceremony	Departure after the event	Accom.	Hotel
PRESIDENT & HIS GUEST	2		1 day	1 day	dus	4/5 stars
INLINE FREESTYLE TECHNICAL COMMISSION	6	2 days		1 day	dus	4/5 stars
TECHNICAL OFFICIALS (judges, calculators)	15	2 days		1 day	twin	4/5 stars

WORLD SKATE MANAGERS AND STAFF	3	2 days		1 day	dus	4/5 stars
COMMUNICATION STAFF	3	1 day		1 day	dus	4/5 stars
SPEAKERS	2	2 days		1 day	dus	4/5 stars
ANTIDOPING MANAGER	1	2 days		1 day	dus	4/5 stars

\*\*\*\*\*

The Host shall also provide a selection and availability of international standard hotels (between 3 and 5 stars) at a fair price to accommodate:

- National Federations
- Media

The Host City shall enclose to the candidature a complete list of all the official hotels and related price lists at the date of the event: the rates shall include breakfast and fees in USD and hotels rates must be as cheap as possible.

Athletes and delegates are not allowed to be lodged at the hotel with World Skate's headquarters.

The Host shall provide a contact for the Host Logistics Department which shall take care of all the aspects relating to the Accommodation, Meals and Transportation.

Breakfast shall be available at the hotel, while lunch and/or dinner may require catering at the competition venues with ample and flexible schedules. Food shall satisfy all cultural and religious needs.

Athletes, Delegates (if present) or media must not be constrained to be accommodated in a specific hotel or to avail themselves of specific menus, nutrition programs or diets as a precondition to join the event.

\*\*\*\*\*

The Host City shall provide to the representative of national and international Media a selection and availability of international standard hotel (between 3 and 5 stars) at a fair price. Hotels shall be close to the venue, max walking distance 20 minutes. The rates shall include breakfast and fees in USD must be as cheap as possible.

## TRANSPORTATION

The Host City shall provide the World Skate Family with a shuttle service from and to the airport; an adequate number of cars and mini vans with drivers shall be available to the World Skate Family, as necessary, between the hotel and the venues.

Cars shall be available, as necessary, for World Skate President, Anti-Doping Manager, Sports Director, Project Manager, Communication Manager, Protocol Manager and Accreditation Manager.

Vans shall be available for the Technical Commission, Technical officials, Communication Staff and Streaming crew (if necessary).

The Host City shall arrange transfers throughout the day, including very early in the morning and very late in the evening.

All the National Teams, single athletes and media representatives, lodged in the official hotels, shall be provided with shuttle services from/to the airport and between the official hotels and the competition and training venues throughout the day and during all the competition and official training days, for the Opening and Closing Ceremonies and for all other official activities or events.

Accurate transportation scheduling is of the utmost importance for the success of the Championships.

The transportation service shall start from the first day of training up to the last day of competitions.

Drop-on and drop-off of all athletes in front of the main entrance of the venues shall be granted to all the athletes attending the event, including athletes if lodged in non-official hotels.

## Section 6

# OPERATION & SERVICE

## PREAMBLE

This procedure aims to guide the Host to carry out the entire accreditation procedure of a World Skate event and to acknowledge how the registration process will be carried out.

## REGISTRATION PROCESS

The registration process will be carried out through *Infinity*, the new World Skate Sports Registration Platform (hereinafter “the System”), available in both web version and mobile app ([iOS](#) and [Android](#)).

Participants in World Skate events are divided in four Macro families:

1. World Skate.
2. LOC (Local Organizing Committee).
3. Media.
4. Teams (Athletes, NTOs & NF Management)

Registration process:

1. The World Skate Family registration process shall be directly managed by World Skate through the system.
2. LOC registration process (Staff members, Managers, Volunteers, Contractors, Workers, Host’s VIP and Guests etc.) shall be directly managed by the Host through the *Infinity* system as per World Skate instructions.
3. Media registration process shall be carried out by World Skate through the system.
4. National Federations’ registrations are directly processed by NFs dedicated Staff through the *Infinity* system. Each NF can apply for its own Delegation which shall be composed in accordance with Country Quota and limits set time by time in compliance with each discipline’s Sports and Technical Rulebook

In addition, each NF can register its President, Secretary General and, in multi-disciplinary events, one “Chef de Mission” and two Staff Members.

**a specific Annex with detailed information will be sent to the Organizers in due time.**

## ACCREDITATION

The Host shall establish the look and content of the card, according to the World Skate Branding Guidelines of the Event, that shall be sent to World Skate for approval. The Host shall also manage the accreditation zones and the access controls.

## VISAS

The Host City shall notify all applicable Country entry visas, customs regulations and laws while submitting the candidature file. The Host City shall also provide assistance to accredited families and VIP guests in obtaining appropriate visas (i.e. invitation letter or MoUs with Embassies). All participants are responsible for incurring the costs related to visa obtainment, as well as for transit visas, where required.

The Host is responsible for informing World Skate and subsequently the Event Participants on matters including required vaccinations and customs regulations on publications and media and sports equipment.

The Host City will also ensure that the import and export of goods and materials for the exclusive use of the Championships shall be free from customs.

## PROTOCOL

World Skate Protocol Manager shall work in connection with the Local Protocol Manager, and shall oversee any decision. The Host City is entrusted with the organization of the Medal Award Ceremony procedures, which shall be submitted to World Skate for approval. The Host City is in charge of providing World Skate flags, flags and national anthems of the represented countries during the Opening Ceremony as well as during all Medal Award Ceremonies. Medals to be handed out during the Award Ceremonies shall be provided by the Host.

The final design of Medals, Certificates or any other award shall be sent to World Skate for approval. The Host City shall be also responsible for the parade of athletes and entertainment performances. At the Opening Ceremony no political, religious or racial propaganda or demonstration is allowed at the venues of the Championships or at other sites considered as being part of the World Championships.

The World Skate Protocol Guidelines shall be followed and complied with.

The Host City shall provide all the volunteer uniforms complying the final design approved by World Skate. Athletes will be required to wear their official uniforms during competitions, awards ceremonies and official events.

The official languages of the Championships are both English and the official language of the Host Country. In case the official language of the Host Country is English, the other official language shall be Spanish. On-site signage, event communications and publications, sports commentaries and any other information shall be in English. The Host City shall also provide sufficient translation services (including through volunteers) to World Skate and to the international community.

## SPEAKERS/ANNOUNCERS

An integral part of the competitions is the presence of 2 speakers/announcers, English speaking, that shall be expert in the discipline of Inline Freestyle, able to provide the utmost accuracy and professionalism required by the discipline during the competitions, awards, opening and closing ceremonies.

All announcements and the reading of scores (when required) shall be made in English and in the language of the Host City. In case the Host City is not able to provide skilled speakers/announcers, World Skate will make a careful evaluation and will provide speakers/announcers whose travel, board and lodging costs shall be incurred by the Host City.

## TECHNOLOGY

The Host City shall take measures to ensure ease of communication by engaging relevant technology measures before, during and after the Championships. This includes test events, information systems, telecommunications and adequate internet connection- to provide a solid and stable tv signal that can be streamed worldwide through our tv and web channels. Inside the venue a scoring & results system and one or more scoreboards shall be present, as well as an adequate audio system.

## MEDICAL SERVICES AND ANTIDOPING

The Host shall ensure medical services to athletes, spectators, workforce, media and VIP guests according to the established World Skate standards. The Host shall coordinate hospital services with Public Health Authorities.

The Host shall plan, establish and manage the infrastructure and the services to enable the doping control sample collection processes and laboratory analysis to be conducted in accordance with the World Skate

Anti-doping Rules, the International Standards for Testing and Investigation (ISTI) and following the instruction of the WSK AD Manager/Delegate.

The Host shall cover all the costs related to the doping controls and the laboratory analysis, which will be decided by the WSK AD Manager/delegate according to the WSK test distribution plan.

The Host shall also cooperate with the World Skate Anti-doping department in delivering services and education and information program content.

## SECURITY

All matters related to security fall within the Host's responsibility and shall be coordinated with the competent public security authorities of the Host City. World Skate security provisions shall also be taken in due consideration.

Section 7

---

# PROMOTION & COMMUNICATION

The Host has the responsibility to promote the event, using TV promotion, social media, public and private partners and national campaigns including a detailed description of the World Skate Championships concept, a comprehensive national and international communication and promotion plan, an official event and spectators guide, as well as city and on-site billboards.

World Skate will both indirectly and directly support the Host City and its international communication and promotional activities for the Championships with experts that are well experienced in marketing and communications.

World Skate will also provide the Host with marketing and communications guidelines and the Host shall work in close collaboration with the World Skate Marketing and Communication Department.

The Host City has the right to retain the revenues from national partnership agreements and marketing activities not belonging to World Skate. Nevertheless, the Host agrees to have all partnership agreements approved by World Skate, and to support all marketing activities relating to World Skate and its main corporate partners both before, during and after the Championships.

The Host shall provide detailed Communication and Promotional Plan to World Skate for approval.

## LOOK & FEEL

The Host will use the Corporate Image in the setting up of the venue and of the rink, both inside and outside. The same image shall be used in airports, hotels, event venues if different from the competition, venue in agreement with World Skate.

Inside the venue, only World Skate logo and any advertisements previously approved by World Skate shall be permitted. Institutional logos must be agreed with World Skate.

## MEDIA

As international and national media, journalists, photographers, newspapers, TV stations, etc. may be interested in covering such event, the Host City is also responsible for producing a press kit subject to World Skate approval and for providing any relevant information.

Adequate Press/Media rooms/areas and interview rooms shall be provided in the competition venues, that must be equipped with a press tribune. All these areas shall be supplied with electric power, adequate wireless connection and hub for at least 20 cable internet connections.

At least 20 media seats fully equipped - internet, power, desk - should be provided on the tribune.

The Host City shall provide the staff to carry out general event communications, daily bulletins, press releases, press conferences and interviews, reports and information on the athletes as well as contents for internet and websites.

## BROADCASTING

World Skate is the owner of all Television and Digital Media Rights of the Championships. The Host is responsible for ensuring international standard quality TV production and signal. The international signal will be provided with an objective and impartial quality. It shall include high quality standard cameras and equipment to ensure a professional broadcast experience, slow-motion replays, basic TV graphics and timing and be delivered with all appropriate editorial supports.

The Broadcasting plan will be arranged by World Skate in order to ensure international broadcasting and thus global promotion of the event. World Skate is responsible for negotiating the international television rights. World Skate may, however, assign, upon agreement, in whole or in part, the television rights to the Host or to a third party.

The Host is asked to give its commitment to investing in the necessary state-of-the-art technology and expertise to offer the best available services to the respective target groups (i.e. domestic and international TV, media, etc.) and to communicate top quality information.

## STREAMING

All the competitions of the Championships will be broadcasted exclusively on World Skate TV.

The Host City shall ensure adequate Internet cable dedicated to streaming. The characteristics of the connection must be agreed with World Skate Communication Dpt.

The Host City shall provide at least 2 English-speaking commentators for the live streaming.

## ARTWORKS AND MEDIA ASSETS

All media assets shall be approved by World Skate: TV graphics (on-site, on-screen), social networks, OOH media, etc. World Skate logo handling and assets execution are subject to World Skate approval.

## TV GRAPHICS

The host City will adhere to TV graphic standards as provided for by World Skate.

## LOGO

Once the official nomination is provided in writing, the candidate City shall develop the event logo to be publicly released followed by the supervision and coordination of the world skate graphic designer in charge of working on it.

When defining the name or title of the event, the elements that have to be mentioned and that shall appear in the same order are:

- the name of the discipline
- World Championships caption
- the 'Host City' name
- the event year
- if applicable, the 'Title sponsor'

The Host City shall design both horizontal and vertical versions of the logo and send to World Skate the following formats:

- Logo in vector format EPS, AI or PDF
- Logo in High resolution in: PNG, JPG or TIFF
- A color version: Negative and Positive

Such logo may only be published after World Skate approval.

The Host City shall be granted the right to use the World Skate logo, which shall be sent to the Host City immediately after the signing of the contract, and that will be displayed along the circuit and in all the publications and merchandising.

## WEBSITE

The Host City shall develop an Official website of the Inline Freestyle World Championships, whose domain shall be: [www.disciplinecityYEAR.org](http://www.disciplinecityYEAR.org). Alternatively, a section in the Host City own website is accepted.

The web page shall contain all necessary information about the Championships, the city, the region, the country, official hotels, programs etc... which shall be available.

The layout shall be approved by World Skate.

## DESIGN

The Host City coordinated and supervised by the world skate graphic designer shall design a Logo and Coordinated Image for promoting the event. The list of designs shall include logo, emblems, medals, mascots, information icons, visuals, slogans, publications, website and audio-visual productions. All these materials shall be approved by World Skate, and the World Skate Logo shall always be predominant.

## MARKETING PARTNERS, OFFICIALS SUPPLIERS, TICKETING, LICENSING AND MERCHANDISING

The Host City shall be in charge of negotiating marketing, sponsoring, merchandising and any remaining commercial rights upon World Skate approval.

All revenues accruing from the exploitation of the rights negotiated by the Host City shall entirely belong to the Host City. World Skate Logo shall be predominant according to the guidelines specified in the contract.

---

### Section 8

## LEGAL OBLIGATIONS

- The Bidder is solely responsible for any aspect relating to the bid application and for all commitments entered into and relating to the organization and the staging of the Championships.
- The Contract outlines all legal, commercial, organizational, financial and reporting obligations as well as all relationships, roles and responsibilities involved in the planning, the staging and the debriefing of the Championships. It also includes the consent by the Host City to comply with World Skate guidelines in terms of event organization, accreditation, protocol, anti-doping controls, sustainability, volunteers, marketing and communications, media, host broadcaster.
- The Contract for the Inline Freestyle World Championships shall be signed no later than one month after the awarding of the Championships to the Bidder by World Skate.
- The Host City and the LOC have jointly operational and management duties; they shall be legally and financially responsible for fulfilling the obligations provided for under the Contract. The Host City and the LOC must maintain appropriate management and supervision throughout the entire event.
- The Host City and the LOC are jointly responsible for engaging the necessary insurance policies for the organization of the Event including transportation, liability and cancellation insurance policies.
- The Host City undertakes to protect and promote World Skate's Brand.
- The Host City commits itself not to host other sports events during the period of the Championships, including one week before the event begins and one week after the event ends.
- The Host City undertakes to accept and comply with all World Skate Rules and Regulations including the Data Protection Policy.
- The Host City acknowledges and accepts the differences between the Bidding Application and the Contract: the Bidding Application is explanatory, the Contract contains all duties and obligations to be fulfilled.

# MILESTONES

Setting up of the LOC	1 month after the signing of the contract
